Date: 03.06.2014

## CIRCULAR

It has come to my notice that the two wheeler and four wheeler vehicles of students, parents and visitors are entering the campus during working time and this causes much disturbance to the classes, examinations; and also complaints have been raised that this will be a threat to the safety of the teachers and students on the campus. In the light of the discussions conducted with various stakeholders, IQAC, PTA and College council, orders are issued to restrict the entry of all kinds of vehicles of students, parents and visitors to the campus during 10 am to 3.45 pm on all working days. The vehicles of students can be kept in the prescribed parking area in front of the Staff Cooperative Society. However, restricted entry of vehicles can be allowed on special occasions with the prior permission of the Principal.
