Lab visit and Science experience for plus 2 students

Lab visit and Science experience for plus 2 students

-Department of Botany

As a bridging mechanism to invite youngsters to pursue their study in basic science, we the department of botany conducts science experience workshop and lab visit for the benefit of the nearby higher secondary schools, during 2014 -15 (8-9-2014) we conducted this workshop to for Holy Cross Higher Secondary School, Cherpunkal. Due to the high pressure from professional courses such as medicine and engineering, young and bright students usually opt such courses. And low profile students are coming to basic courses like Botany and Zoology. But the new avenues in the life science courses offer more job opportunities in a nation like India. Bringing this fact to the young students is the objective of this short term workshop.

The Present Target group is 105 higher secondary students and 12 MSc students are also participated in this event. This is to attract students to basic science.

Lab Visit of students of Holy Cross Higher Secondary School, Cherpunkal

“

Science Experience programme

The Department organizes science experience awareness programme through lectures and lab practicals

The service shall be available to higher secondary students of nearby schools during 2014-15”

RESEARCH & PG DEPARTMENT OF COMMERCE

ST. THOMAS COLLEGE PALA

Proudly initiates....

**CENTRE FOR ACADEMIC SOCIAL RESPONSIBILITY
(CASR)**

Inauguration by

His Excellency Mar Jacob Muricken

(Auxiliary Bishop, Eparchy of Palai & Manager, St. Thomas College Pala)

13 August 2014

02.00 PM

St. Maria Goretti's High School Chennad

"To be a centre of excellence in business studies by upholding moral and ethical values"

CENTRE FOR ACADEMIC SOCIAL RESPONSIBILITY(CASR)
Research & PG Department of Commerce
St. Thomas College Pala

CASR is an initiative of the Department of Commerce of St. Thomas College Pala to organize its social outreach programmes and extension activities. It is a centralized platform for the students of business to be socially responsible to share the knowledge they gain in the class rooms for the betterment of different sections of the society including tribal and rural poor, women, minority, financially and socially excluded ones, old aged, financially illiterate people, students from backward and rural areas, etc. along with other beneficiary groups like Self Help Groups (SHGs) and Small and Medium Enterprises (SMEs).

The centre upholds the values like Inclusive growth, Social empowerment, Gender Equity, Business Ethics, etc. Thus this initiative will give wings to the Department of Commerce to reach the weaker sections of the society with students and will definitely inspire the youngsters to be socially responsible in their career.

You are most cordially invited to the Inaugural Ceremony

Prof. James Varghese
Director, CASR

Dr. Sunny Joseph
HOD

Fr. N.V. Joseph
Principal

National Anthem

Centre for Academic Social Responsibility (CASR) 2014-15

-Department of Commerce

The department of Commerce introduced the concept of academic social responsibility and decided to establish Centre for Academic Social Responsibility (CASR) to coordinate different extension activities of the department. The centre is set up on the belief that academic world has certain responsibilities to the society and it is to share the knowledge they gain from academic activities. Students are divided into different cells and they perform different awareness programmes at various sections of the society.

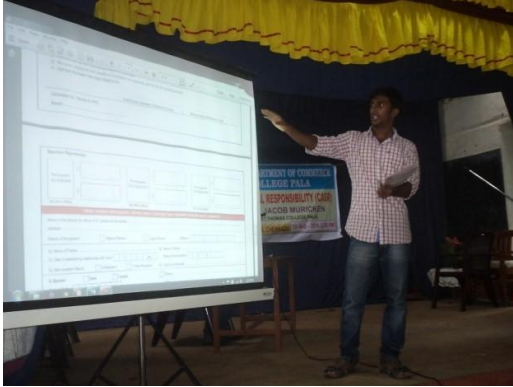

Inauguration of CASR by HE Mar Jacob Murickan

The formal inauguration of the CASR was taken place at St. Maria Goretti's High School, Chennai on 13 August 2014. During a colorful public meeting organized by the department in collaboration with the said school, HE Mar Jacob Murickan (Auxiliary Bishop of the Eparchy of Pala and Manager of St. Thomas College) inaugurated the centre in the presence of Rev. Fr. N.V. Joseph Njarakkattil (Principal, St. Thomas College Pala), Rev. Fr. Sebastian Vettukallel (Manager, SMGHS Chennai), Dr. Sunny Joseph (H.O.D. Department of Commerce, St. Thomas College Pala), Sri. Babuji Lukose (Head Master, SMGHS Chennai), Prof. James Varghese (Director, CASR), Sri. A.S. Antony Arackaparambil (P.T.A. President, SMGHS Chennai) and Smt. Jancy George (Member, Grama Panchayat, Poonjar).

Banking Literacy Programme of CASR at SMGHS Chennai

The banking literacy cell of CASR consists of 17 students of B.Com. They developed a 90 minutes programme named 'Banking Hours' which describes about banks and banking in India. It focused in explaining different functions of and procedures in banks. During the

inaugural ceremony of the Centre for Academic Social Responsibility (CASR), they conducted the programme for the entire high school students of St. Maria Goretti's High School, Chennad. The programme was an informative one for the students. The interaction between students of the school and members of banking literacy cell caused greater appreciation from students of school, parents, and teachers.

Banking Literacy Programme of CASR at SMGHS Chennad

Personality Development Programme of CASR at SMGHS Chennad

Personality Development Trainers of CASR- A public performance of students

The final year postgraduate students of the Department of Commerce, consisting of 18 students, were divided into 6 groups consisting of 3 students each were given proper training in conducting personality development programmes. They were asked to develop a module for the purpose and they developed it attractively and it included games, songs, action songs, stories, communication exercises, etc. During the inauguration of CASR at Chennad,

the upper primary students of SMGHS were divided into 6 groups and each group was entrusted with each team of PG students. They conducted the personality development programme and students of the school opined that it was a wonderful experience for them.

Banking Literacy Programme of CASR at SSHS, Kadanad

The second programme of the banking literacy cell of CASR took place at St. Sebastian's High School, Kadanad on 4th December 2014. The second edition of 'Banking Hours', the 90 minutes awareness programme on banking, was presented by 10 trained students of B.Com 2012-15 batch. The programme was an informative one for the students.

Banking Literacy Programme at SSHS, Kadanad

The interaction between students of the school and members of banking literacy cell caused greater appreciation from students of school, parents, and teachers.

Field Visit and talk on organic farming

Field Visit and Talk on Organic Farming

-Department Of Economics

Department of Economics, St. Thomas College, Palai had undertaken a field visit to an organic farm at Plassanal near Bharanaganam on 27th November 2014 as an extension programme of the department. The Post Graduate students of the department accompanied by all the faculty members attended this very useful field visit. Students were the target group. Nutmeg, coconut, pepper, vegetables, and coffee were the major crops of organic farming in this farm.

The farm was owned by Prof. P. I. Devasia, former professor in the department of economics, St. Thomas College, Pala. On the occasion, he delivered a talk on organic farming and its relevance in the era of changing agricultural practices and strategies. He also stressed the need and benefit of the organic farming and the harmful effect of the use of chemical fertilizers. Further, he explained in detail the technique of organic farming and sustainable agricultural practices in the case of each crop, namely, nutmeg, coconut, pepper, vegetables, and coffee. Prof. P. I. Devasia also clarified all the doubts of the students.

It was a unique and different experience for the students and teachers. The visit motivated the students to initiate small scale organic farming at home. This visit was fruitful, informative and beneficial for all those who actively participated in the programme. Some of the retired teachers of the department also actively involved in the talk, discussions, and field visit.

Blood grouping camp

Blood Grouping Camp

-Department of Biotechnology and Applied micro biology

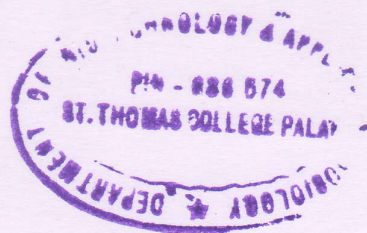

In association with blood donation forum of St. Thomas College Pala, every academic year the department of microbiology and Biotechnology has conducts a blood grouping campaign among the public and the first year students of UG, and PG programmes. The students of this department were actively participating in this campaign under the supervisions and guide lines of their teachers. This campaign definitely encourages the students to donate their blood to the needy people. Furthermore after this camp every student who participates in this activity becomes conscious about his blood group.

Work shop on Mellipona Culture

Work shop on Mellipona Culture

-Department of Zoology

The work shop on Mellipona Culture was carried out along with the formal inauguration of the Zoology association activities of St. Thomas College Pala 2014 on 22-08-2014 in the Library hall. Inauguration of the Zoology Association and the release of Zoology association logo was also done at the function. The programme started at 10 am. The general meeting was over by 10.45 am and the work shop followed it.

The participants of the workshop were the zoology students, open course students from other disciplines and 54 general public interested in beekeeping. The resource person for the work shop was prof. Sajan Jose K. Associate professor St. Josephs College Moolamattom who is a well known authority in the rearing of little bee, the Mellipona Species. The work shop was divided into general lecture, demonstration and brain storming session. Retired Prof. Roy A. (Dept. Of Botany, K E College Mannanam) expressed the vote of thanks.

English Speaking Corner

English Speaking Corner

-Department of English

As an Extension Activity of Department of English, St. Thomas College, Palai, an 'English Speaking Corner' Programme was arranged for the students. It is a space devoted to students who can talk and express their ideas in English without any fear or inhibition. A day in a week was handled by each batch from the department. They headed the activities for that day and encouraged students from other departments to involve in the talk.

The Programme was inaugurated by the esteemed principal of our college. All teachers from the department participated in the programme which was entirely a student-oriented one.

Study on the Critical habitat of western Ghats

Study on the Critical habitat of Western Ghats

Myristica swamp forests

a) Shola like forests

Target group	:	Kerala Forest Department, Kerala State Biodiversity Board Kerala Tourism Department
Participants	:	12 students of MSc Botany participated in these programmes.
Name of faculty	:	Dr. Jomy Augustine
Reports	:	Three copies of reports prepared and sent to Kerala Forest Department, Kerala State Biodiversity Board and Kerala Tourism Department

Evolution is the process of interaction between the genetic variation and habitats. The habitat favours some variations to persist and some variations not to persist. The selection of these variations is different in different places of earth. The variations selected in one place may not be suitable in other habitats. This mutual compatibility between genetic variations and habitat is the process of evolution. This process is continuous and is subjected to many known and unknown factors. Climate change is one of the main factors that affect the evolution in a very serious way. Documentation of the impact of climate change is very important in this scenario to realize the magnitude of climate and also to design suitable measures to minimize the impact. Every habitat is equally subjected as the probable victim of impact of Climate change. Endemic habitats are more easily subjected as they are ecologically fragile lands.

Western Ghats is one of the global centres of biological diversity (Myers, 1998; Nayar, 1996). It harbors large number of unique ecosystems throughout the entire length. Among these unique ecosystems Myristica swamp forests is very notable because it is related to the drainage systems of the Western Ghats. Myristica swamps are a highly fragmented, threatened and endangered freshwater swamp forest ecosystem of Western Ghats with distribution restricted to flat bottomed valleys with sluggish streams. Because of its humus rich and fertile soil most of the Myristica Swamp forests are converted to human habitation and agricultural lands especially for paddy cultivation (Bausaheb Tambat, 2005) and arecanut plantations (Krishnamurthy, 1960, Champion and Seth, 1968; Chandran et al., 1999; Chandran and Mesta, 2001). But five decades ago only this type of water-logged but high diversity area are described as special type of forests seen in Travancore. Later from the valleys of Shendurney, Kulathupuzha and Anchal ranges of southern Kerala (Champion 8: Seth 1968) and from Southern and Central parts of Kamataka and Northern part of Kerala too (Bausaheb Tambat, 2005) this type of forests is located. The northernmost Myristica swamp so far reported in the Western Ghats is from Bambar in Satari Taluk of Goa (Santhakumaran et al. 1995, 1996). Myristica Swamp is also documented as an old habitat type in the Western

Ghats ie., more than 140 million years old (Chandran et al. 1999). It is assumed because of the presence of endemic species belonging to the families like Myristicaceae and Anacardiaceae. The swamps are associated with many endemic tree species also (Bourdillon 1908; Sasidharan & Sivarajan 1996; Ramesh & Pascal 1997; Chandran 85 Mesta 2001).

Idukki Wildlife Sanctuary has shown to be one that should not be underestimated in any policy decisions in Wildlife Protection measures. The total extent of the sanctuary is 105.364 sq.km which includes 33 sq.km water body of the Idukki Reservoir. A recent plant diversity study conducted in this small (53 sq. km.) protected area has brought some very interesting facts about the richness of its Biodiversity. There are 5 types of vegetation in Idukki WLS. They are Moist Deciduous Forest, Semi evergreen forests, Evergreen Forests, Hill top evergreen forests and Grasslands. The Myristica swamp forests of this sanctuary was surveyed well. This type of forest is spread to an area of around 4.5 ha. in an altitude of around 900 meters asl.

There are 46 species of trees, 13 species of shrubs, 13 species of climbers, and 27 species of herbs in the Myristica swamp forests. Of the 46 species of trees 33 species are endemic to Western Ghats. Five shrubs, six herbs and three climbers are also endemic to Western Ghats. The breathing root forming species ie., *Gymnacranthera farquhariana* (Hook. f. 85 Thorns.) is enumerated and there are more than 250 individuals in this area. They are at different age classes. Regeneration is also good.

Though the extent of the Myristica Swamp forests in this sanctuary is only 4.5 ha. It is found worth in conserving by providing adequate conservation measures.

**Dr. Jomy Augustine and students of Department of Botany,
St. Thomas College Palai visiting the Myristica swamp**

Promotion of History as a Discipline

Promotion of History as a Discipline

Department of History has organized an extension programme at St. Ephrem's UP School, Kaveekunnu on 10th December 2014. All students of the department of history along with the faculty members participated in the programme. This programme was meant to convey the value of history as a discipline and the significance of studying history. The students of the department of history conducted quiz competitions and engaged classes on the basics of history. As part of the extension activity, the department has distributed pocket dictionaries to all the students in the school and subscribed newspapers and Digest (weekly booklet) for the school for 2014-2015 academic years.

Staff and the students of the Dept. of History at St. Ephraim's U.P School, Kaveekunnu

Eco-fiesta

ECO FIESTA -2015

-Department Of Economics

Eco Fiesta -2015 was conducted on 18 April 2015 under the auspices of Economics Association. The Fest was conducted every year since 2011.

The inaugural function of 2015 version of Eco Fiesta was held in college auditorium at 10.15am. Prof. Allen Zacharia who is in charge of Association welcomed all the celebrities and contestants. Fiesta was formally inaugurated by college Principal Rev. Fr. N.V. Joseph Njarakkattil. The Head of the Department, Dr. Joy George talked about the importance of Fiesta. There were 4 events.

- 1) Anvesaka (The Best Innovator- first prize : Rs 10000)
- 2) Arthanitibida (The Economic Quiz- first prize : Rs 10000)
- 3) Altigh 2015- The War of Words (Debate –first prize : Rs 7000)
- 4) Arthasari (The Economist – First prize : Rs 4000)

Events were started at different avenues arranged in College. Anveska was held in Library Hall, Altigh in Auditorium. Arthasari and the final round of Arthanitibida were held after lunch break. They were conducted in Tisseriesent Hall and Auditorium respectively.

Events were noticed with participation from various colleges in South India. Christ University Coimbatore, NIT Calicut, Rajagiri College Ernakulam etc are some among them.

Fiesta was noticed by the presence of prominent judges including Prof. Murali Vallabhavan; NSS College Vazhoor, Prof. Justin Joseph, Delhi University, Prof. James Varghese, Pro. Bobby Simon.

Anvesaka was the ultimate test of creative ability, entrepreneurial skills and investment strategy. The topic was ‘Environment –Friendly’ and it was an opportunity for all budding economists and analysts with a hand to operations and analysis to present their original and innovative ideas in the field of economics. After the hours of competition contestants from Rajagiri College became the winners.

Science Popularisation Campaign

SCIENCE POPULARISATION CAMPAIGN

-Department of Chemistry

The Department is dedicated to take every step for the popularisation of science and scientific knowledge among the primary, high school and higher secondary school students, college students, teachers, NGOs and the public. This was chosen as a mission of the department, since its inception, and activities have been organising to fulfil the dictum. The faculty members of the department published several scholarly research articles and text books during the last many years to equip teachers, research scholars and students with up-to-date knowledge in the frontier areas of science, especially chemistry. This is mainly as part of their teaching and research career.

In addition to this the faculty members, students and research scholars of the department published several articles during these years in popular science magazines with an intention to inculcate rational and scientific knowledge among the students and the public. 'Saasthrapadham', a popular science magazine, published in Malayalam language with wide circulation among the school and college students and the public all over Kerala is used by our faculty and students as an excellent platform for propagating this motto. Dr. G. D. Gem Mathew, Associate Professor of the chemistry department serves as the chief editor of the magazine and Dr. Sunny Kuriakose, HOD of chemistry department serves as the editor of chemistry section of the magazine for more than a decade. During the academic year 2014-2015 the following scientific articles were published in the popular science magazine as the extension activity of the department.

Nature Camp in Chinnar Wildlife Sanctuary

Nature study camp on 1-3th September at Chinnar wildlife sanctuary under the leadership of Prof Mathew Thomas, Libin Kuriakose and Noby Mathew. 37 volunteers participated in the camp.

Chinnar is a special wildlife sanctuary in Western Ghats as it is situated in the rain shadow region. Volunteers could experience the dry nature of the forest and could see the special fauna and flora in the region. The day long trekking gave the volunteers a new experience.

VOL. XVII NO.1 JUNE 2015

Principal's Message

Came, Saw and Concurred

The academic year 2014-15 has been a momentous one in the history of the college. Our institution has been adjudged one of the best in its category with 'A' grade by the National Assessment and Accreditation Council (NAAC). The contributions of many dedicated persons – those at the helm of affairs, those in the employ of the college, students, their parents, the alumni - our extended St. Thomas community, and other well-wishers of our college – have gone into this historic achievement. On this occasion, first of all, I would like to thank Almighty God for making our long-cherished dream come true. I also thank each and every person for their valuable share of work towards this goal.

The academic profile of the college has been strengthened by the introduction of new PG, UG and diploma programmes. MA History programme, B.Voc. Sustainable Agriculture and B.Voc. Food Processing Technology and Diploma in Computer

Hardware and Networking and Diploma in Renewable Energy have been started. Our college is all set to expand and promote aspiring students with a faculty ready to galvanize leading-edge spheres of knowledge and develop programmes that can bring about changes in the community in a highly positive way.

A large number of seminars, conferences, workshops and invited talks have been conducted in the academic year. In science and humanities we have been home to brilliant people tunnelling away in the field of research, teaching and extension activities. All such programmes were organized with a vision in mind that progress occurs when institutions bring creative minds together. From the enthusiastic participation of our students and research scholars in these programmes we infer that our young minds reflect an intelligent lineage that extends back over generations. In fact the legacy of our luminaries is in the promise of our rising stars.

It is our dream to raise St. Thomas College to a position to take the lead in research oriented projects beneficial for the community at large. The campus with an environment dedicated to both instruction and inspiration is like an experimental laboratory where creative risk-taking is a way of life. Nine new research projects sponsored by the UGC have been sanctioned to our teachers this year. Also seven such projects sanctioned earlier have been completed successfully. Two major research projects (with amounts near one million rupees and above) have also been completed this year.

Many members of our faculty, in their professional capacity, have been called upon to set the direction for larger institutions like universities. Dr. Babu Sebastian, Associate Professor, Dept. of Malayalam, has been appointed as the Vice Chancellor of Mahatma Gandhi University. A scholar and expert in diverse fields of academic and administrative activity, Dr. Babu Sebastian blends theory and practice harmoniously in his professional life. I congratulate my colleague and wish him all success and God's blessings on assumption of this exalted office.

To make academic life on the campus vibrant by guiding students through a process of intellectual enquiry and self-discovery and to rededicate ourselves to better positioning St. Thomas College as a 21st century institution of higher learning that is bound to scale new heights in academic and co-curricular activities, various programmes were organized.

We have a track record of 'firsts' in sports and games. This year also we are champions in volleyball, swimming, cross-country race, body building etc. and runners up in athletics at university level. I thank all the department and other associations and forums in the college for making this academic year a fruitful one.

Principal Rev. Fr. N.V. Joseph Njarakkattil along with seven other members of the faculty retired from service in 2014-15. They include two vice principals, Dr. V.T. Thomas and Prof. Tommy Cherian Vadakkekunnil. Three members of the non-teaching staff also retired from service this year. With a deep sense of appreciation and gratitude I remember all my retired colleagues and wish them happy retired life.

This year we have lost one of our luminaries whose legacy will illuminate the campus forever. Our former principal Rev. Dr. Mathew Malaparambil was called to eternal rest on 22 March 2015. He had set clearly defined goals, modelled successful academic and administrative behaviour and empowered the college community to think creatively and act responsibly. He worked on multiple fronts to transform the higher education sector in the state enabling generations of students to flourish and create a future for themselves. We trust we have gained an angel in heaven that watches over us.

In near future our campus will be renewed for the 21st century with a state of the art sports complex and swimming pool facility, smart class rooms and student spaces infused with modern technology that supports teaching, learning and physical and mental fitness. We have begun a new century, nay a new millennium and we would help each other to rise to the challenges of tomorrow, for which we have to bank on the breadth and depth of our knowledge and skills. As I take over as principal of this great institution, I request your whole-hearted co-operation in making it lead others by example. We must strive to see our students succeed in their lives both as students here and as citizens after they leave us. I wish all of you all the best in life.

Dr. Sunny Joseph Panjikunnel

St. Thomas College Re-accredited with A Grade by NAAC

The College was re-accredited with A Grade (GPA 3.30) in the NAAC Assessment (3rd cycle) conducted during 23-25 February 2015. The NAAC Peer Team consisted of Prof. Arunoday Saha (Chairman), Prof. Ramana Rao Kamaraju (Member) and Prof. G.K. Karanth (Member Co-ordinator).

St. Thomas College, Pala had been assessed and accredited by NAAC with 4 Star Grade in February 2000 and with B++ Grade in February 2007. The report of the NAAC Peer Team who visited the College during 21-23 February 2007 was an eye-opener to the entire college community. This has contributed significantly to our march towards enhancement of quality in all areas. The College has been successful in evaluating its strengths and weaknesses and making up for the weaknesses during the last 8 years. We have implemented all the recommendations of the last Peer Team and made significant improvements in all areas and identified new domains in our quest for excellence. The initial steps for the NAAC re-accreditation process were taken by

Sastrapadham Science Experience Camp - FARMFEST 2014

Rev. Fr. Joseph Alancheril hoists the flag at the start of the camp

The Centre for Nano-Biopolymer Science & Technology, Department of Physics of the College in association with the Corporate Educational Agency of the Diocese of Palai, organised Sastrapadham Science Experience Camp - FARMFEST 2014 for high school and higher secondary school students during 11-13 September 2014. The theme of the Camp, organised to celebrate the International Year of Family Farming 2014, was 'Sustainable Agriculture'. The camp started with flag hoisting by Rev. Fr. Joseph Alancheril, Managing Editor, Sastrapadham

Science Magazine. Mr. M.P. Dinesh IPS, District Police Chief, Kottayam spoke on the topic 'Safe Campus-Clean Campus' while Mr. A.U. Sunilkumar, Dy.S.P., Crime Branch, Kottayam spoke on the topic 'Cyber Crimes'. Dr. Ison V. Vanchipurackal, Chief Academic Co-ordinator, gave a general introduction about the camp while Rev. Fr. Mathew Chandrankunnel, Secretary, Corporate Educational Agency, Diocese of Palai, gave camp instructions and an introduction about the theme of the camp. Dr. G.D. Gem Mathew, Associate Editor, Sastrapadham Science Magazine, offered felicitations.

H.E. Mar Joseph Kallarangatt inaugurates the Science Experience Camp

Formal inauguration of the camp was held on 12 August 2014 by H.E. Mar Joseph Kallarangatt, Bishop of Palai. Adv. Joy Abraham M.P. was the Chief Guest at the inaugural function. In the technical sessions that followed Mr. Joe Painappallil, Agricultural Officer, Bharananganam, spoke on the topic 'Food Security and Self Reliance' and Dr. Jacob Varghese, Associate Professor, S.H. College, Thevara, spoke on the topic 'Floriculture and Nursery Management'. In the afternoon sessions, Ms. K.J. Geetha, Joint Director(Rtd.), Dept. of Agriculture, Kottayam, delivered a talk on 'Organic Farming' while Mr. George Vadakkechira, Asst. Director of Agriculture, Uzhavoor Block, delivered a talk on 'Family Farming'. It was followed by a field trip to the agriculture projects of Mr. Siby C. Jacob, winner of *Karshakashri* award.

On the final day of the camp (13 August 2014), Mr. Anandu Krishnan, M.A. College, Ramapuram, spoke on 'Mushroom Cultivation' and Dr. Sajan Jose K., Associate Professor, St. Joseph's College, Moolamattom, spoke on 'Melliponi Culture'. In the concluding session, Dr. Babu Sebastian, Hon. Vice Chancellor, Mahatma Gandhi University, delivered the valedictory address. The meeting was presided over by Very Rev. Msgr. Philip Njaralakkatt; Vicar General, Diocese of Palai. Rev. Fr. Mathew Alapattumedayil, Executive Editor, *Sastrapadham* Science Magazine, offered felicitations. More than 150 students from schools all over Kerala participated in the camp. Dr. Ison V. Vanchipurackal, Assistant Professor, Department of Physics was the Chief Academic Co-ordinator of the camp.

CASR of the Department of Commerce

H.E. Mar Jacob Murickan inaugurates the CASR of the Department of Commerce

The Department of Commerce of the College reaches out to the society through the Centre for Academic Social Responsibility (CASR). It is an initiative of the Department to provide a unique platform for organizing its social outreach programmes and extension activities. It was inaugurated by His Excellency Mar Jacob Murickan, Manager of the College on 13 August 2014 at St. Maria Goretti's High School, Chennai. The

meeting was presided over by Rev. Fr. Sebastian Vettukallel, Manager of St. Maria Goretti's High School, and the keynote address was delivered by Rev. Fr. N.V. Joseph Njarakkattil, Principal. Dr. Sunny Joseph, Head of the Department and Prof. James Varghese, Director, CASR, led the programme. A group of 35 students from M.Com. and B.Com. courses conducted training programmes for the school students.

Issues of Sastrapadham Science Magazine

Five issues of *Sastrapadham*, the popular science magazine in Malayalam for school children, were brought out under the initiative of the teachers of the College. They are: June 2014 issue on 'Chemistry and Medicine' by Dr. Sunny Kuriakose (Dept. of Chemistry), October 2014 issue on 'Electromagnetic Radiation' by Dr. Ison V. Vanchipurackal (Dept. of Physics), December 2014 issue on 'Coding Theory' by Dr. Sunil C. Mathew (Dept. of Mathematics), January 2015 issue on 'Biotoxins' by Dr. Jomy Augustine (Dept. of Botany) and March 2015 issue on 'Science in 2014' by Dr. G.D. Gem Mathew (Dept. of Chemistry).

Extension Programme in History

Students and teachers of the Department of History at St. Ephrem's U.P. School, Kaveekunnu

The Department of History organized an extension programme at St. Ephrem's UP School, Kaveekunnu, on 10 December 2014. All students of the Department of History along with faculty members participated in the programme. It was meant to convey the value of History as a discipline and the significance of studying History. The students of the Department

of History conducted quiz competitions and engaged classes on the basics of History. As part of the extension activity, the Department distributed pocket dictionaries to all the students in the school and subscribed newspapers and *Digest* (weekly booklet) for the school library for the academic year, 2014-15.

Science Voyager - A New Science Magazine for School Students

A new science magazine in English titled *Science Voyager* has been launched under the joint auspices of the Archdiocese of Changanacherry and the Dioceses of Palai and Kanjirapally. The purpose of *Science Voyager* is to enlighten high school and higher secondary school students and instill scientific temper in them. The following teachers of the College are members of the Editorial Board of the magazine : Dr. G.D. Gem Mathew (Chemistry), Dr. Ison V. Vanchipurackal (Physics), Dr. Sunil C. Mathew (Mathematics) and Dr. Jomy Augustine (Biology). The pilot issue of the magazine was launched in April 2015. It carried an article on 'Marie Curie - A Legendary Woman of Science' by Dr. G.D. Gem Mathew as the cover story and an article on 'Nobel Winning Blue LED' by Dr. Ison V. Vanchipurackal.

NATIONAL SERVICE SCHEME (NSS)

NSS Award winners with the Principal Rev. Fr. N.V. Joseph Njarakkattil

Programme Officers: **Prof. Joben K. Antony** (Dept. of Economics) and **Prof. Mathew Thomas** (Dept. of Zoology).

Volunteer Secretaries: Sri. Arun Robert and Sri. Jamson Edward

- Observation of Environment Day was conducted on 5 June 2014. Principal Rev. Fr. N.V. Joseph inaugurated the programme by planting a neem sapling in the campus. Saplings were given to the students to plant at their homes.
- Prof. Joben K. Antony participated in the state level tree planting campaign held at Kottayam on 5 June 2014. The programme was inaugurated by Sri. Thiruvanchoor Radakrishnan, Hon. Minister for Forests and Wildlife, Govt. of Kerala.
- 8 volunteers participated in the Leadership Camp organised by the Youth Welfare Board, at Kottayam.
- Observation of World Population Day was held on 12 July 2014 by organising a talk on the topic 'Demographic Dividend of India'.
- Orientation Programme for the new volunteers was conducted on 23 August 2014. Smt. Babitha, Asst. Prof. of Sociology, Assumption College, Changanassery, led the session. Principal Rev. Fr. N.V. Joseph inaugurated the function.
- A one-day work camp was conducted at Cherpunkal on 30 August 2014 to construct a house for a homeless poor. It was led by Prof. Joben K. Antony and the volunteers transported 3 loads each of M-sand and metal, and 2 loads of hollow bricks for the construction work.
- Nature Study Camp was held during 1-3 September 2014 at Chinnar Wildlife Sanctuary under the leadership of Prof. Mathew Thomas and Prof. Libin Kuriakose.
- A seven-day camp was held from 5 to 11 September 2014 at Retnagiri near Ettumanoor. It was inaugurated by Sri. Mons Joseph MLA. Principal Rev. Fr. N.V. Joseph presided over the meeting. Parish priest Rev. Fr. Thomas Vedikkunnel felicitated. Members of the local bodies were also present at the meeting.
- Special Adventure Camp 2014-15 held at Atal Bihari Vajpayee Institute of Mountaineering & Allied Sports (ABVIMAS), Hatkoti, from 24 September 2014 to 3 October 2014 was attended by Sri. Arun Robert, Volunteer Secretary.
- 35 volunteers participated in the 30th Anniversary programme of M.G University held on 7 October 2014.
- Reception to the *Akshara Jyothi Prayanam* was given on 9 October 2014 by Prof. Joben K. Antony and the volunteers. The captain of the procession was Prof. Sunny K. George, Member, Syndicate, MG University.
- *Swachh Bharat Mission* was taken up in earnest by the NSS volunteers on 2 October 2014. They visited General Hospital, Pala, and cleaned the premises.
- 37 volunteers and three faculty members participated in the three-day Nature Study Camp held at Thenmala during 21-23 November 2014.
- The College NSS Unit won the M.G University NSS Awards for Best Unit, Best Programme Officer and Best Principal for the year 2013-14.
- A Mass Run was conducted as part of 'Safe Campus - Clean Campus' campaign in collaboration with *Janamaithri* Police, Pala on 6 February 2015. More than 100 volunteers along with programme officers participated in the run. Circle Inspector of Police Sri. K.P. Jose flagged off the programme.
- 9 volunteers participated in the NSS intercollegiate competitions held at Newman College, Thodupuzha, on 7 February 2015. Sri. Jopaul Johny won First prize for elocution.
- Sri. Jopaul Johny won overall championship in the NSS Fest held at Baselius College, Kottayam winning three First Prizes and one Second Prize.
- St. Thomas College has been top in the list of students who were selected for Additional Skills Acquisition Programme (ASAP). 59 students received free residential training for 21 days on communication skills, personality development, leadership, I.T. etc.
