Visiting Maria Sadanam, A home for the Mentally Challenged

Visit to Mariasadanam, Palai

As part of the Christmas month celebrations and activities the students and teachers of the English Department visited Mariasadanam, a home for the mentally challenged at Pala on 19.12.2016. They spent their time singing, dancing and interacting with the inmates and giving them a time of relief and comfort.

Director of Mariasadanam, Sri Santhosh welcomed the teachers and students. Students talked at length with the inmates and found the opportunity worth cherishing. They parted spending value time there and also shared some gifts.

The students and teachers of the English Department celebrated Christmas with the inmates of Mariasadanam, a home for the mentally challenged destitute at Pala.

The Function was organized by the English Literary Association. Students and teachers gave gifts to the inmates and cultural programmes were held. Prof. Cherian Vadakkekunnel, HOD, gave leadership. The students as well as the faculty were deeply touched by the innocent love and hospitality of the mentally challenged inmates of Mariasadanam who played hosts in the celebrations. **Mr. Santhosh** (the Director of

Mariasadanm) and his family live with the inmates of Mariasadanam in the same compound. The visit helped us to look at Christmas celebrations in a new light.

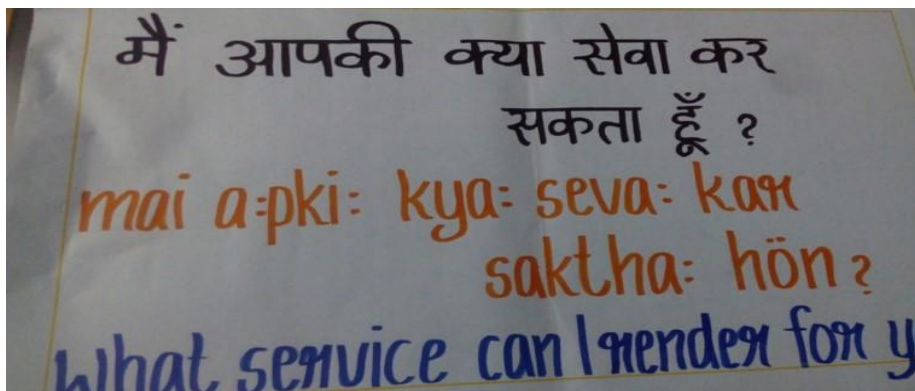

*“I am overwhelmed by the love and concern of the English Department for the mentally challenged destitute of **Mariasadanam**. I have always placed Tommy sir in the position of an elder brother. Hope the English Department would keep in touch with us in the years to come as well.” **Santhosh, Director of Mariasadanam.***

Spoken Hindi Learning Programme

Spoken Hindi Learning Programme

The P.G. & Research Dept. of Hindi conducted an Extension Programme entitled Spoken Hindi Learning Programme for the whole faculty and students of the college. The main objective of this programme is to teach and introduce some commonly used Hindi words and sentences to the faculty and students of the college.

For this purpose the P.G and Add on course students of the department introduced a Hindi word and its meaning which was displaced in the college notice board. The purpose of this programme was to teach the faculty and students a Hindi word every day. In the second face of this programme our students prepared charts in which some commonly used sentences in Hindi and its meaning were displaced. These charts were published in the college notice board every day. At the end of the academic year we have conducted an examination based on the words and sentences we have taught the academic community throughout the year. The winners of the examination are as follows.

I prize- Aneesh V Nair, II DC Physics

II Prize- Deepa Lonappan, I MA Hindi

III Prize- Sruthi Manoj, II MA Hindi

The winners were awarded with attractive Prizes.

St. Thomas College Pala P G & Research Department of Hindi Spoken Hindi Learning Programme					
Time: 30 minutes		Examination March 2017		Maximum Mark: 30	
I. निम्न शब्दों का हिन्दी में अनुवाद करें 5x1=5					
1.	Your	-	2. Class	-	3. Marks
4.	Student	-	5. Percentage	-	6. What
7.	How much	-	8. Accountancy	-	9. Which
					10. Cool down-
II. निम्न प्रयोगों का अनुवाद हिन्दी में करें 5x2=10					
11.	What is your favourite subject?

cooperation
General Hospital Pala

It was another occasion of NSS unit exposing their care for the health of college students. On 18th August 2016, in association with the Govt. hospital we conducted a free distribution of 'viragulika'. Volunteers reached to each and every student and made them aware of the precautions to be taken to prevent this disease.

LOVE KOTTAYAM: LAW AWARENESS CAMPAIGN

An awareness program on law in the name LOVE KOTTAYAM was conducted on August 25th 2016 in Palai municipality and Kadanadu Grama panchayath in association with legal service society Kottayam. 158 people participated in the program conducted under the auspices of NSS unit STC Pala. Volunteers who got special training went through different homes in adopted village as well as in the locality of the college to make citizens aware of laws existing in our nation with the help of notices.

The seven day special camp of NSS unit of Pala St Thomas College started on 9th September 2016 at Khristhu Jyothi English Medium School, Kayyoor.

Camp was officially inaugurated by Sri. Jose K. Mani MP in the presence of Dr. Sunny Joseph, Principal Sri. Francis Baby, Principal host school on 10th September at 11:30 am. Soon after the inauguration ceremony, a debate was held on the topic 'Does Social media badly influence youth'. Next session led by Prof. Ashish Joseph on the topic 'Basic life support and first aid' was productive. Then the class led by Prof. Joby Mathew on 'Time management' was very helpful for the volunteers.

Each day of the Camp started with a Yoga Training Session.

On 11th September morning volunteers visited Don Bosco Poor Home Kadanadu, to inculcate values of social commitment among them. Seminar lead by Prof. Tony Joseph on ‘Tips for a happy life’ was very motivating. After the class volunteers set out for the anti plastic campaign at ‘Naadukaani’ an ecotourism spot. Cultural Programs in the evening was an opportunity for the volunteers to exhibit their hidden talents.

On the fourth day volunteers declared their social commitment by helping Govt. LP School, Kayyoor to start organic farming. After this Sri. Maju Puthenkandam, Former Panchayath President made the volunteers aware about the environment concerns.

On 13th September morning after the usual activities camp members prepared a playground to suit the interest of the children. Then Dr. Thomas Scaria led an attractive class on the topic 'literature and creativity'. After it the volunteer secretaries conducted a quiz for volunteers.

On the sixth day onam was celebrated in the camp with different games arranged by the program officers and volunteer secretaries and sumptuous onam meal. After it volunteers gathered in the auditorium for class on 'career and civil service' by Dr. Davis Xavier.

The camp which gave many memorable moments for the volunteers came to an end on 15th September with the closing ceremony which was presided over by Rev. Dr. James John Mangalath.

‘ULKAZCHA’: A VISIT TO PSYCHO SOCIAL REHABILITATION CENTRE

Insight Mariyan Sadan visit

NSS Unit
St. Thomas college Pala

Date- 27 September 2016
Time -10.30 AM

Insight Mariyan Sadan visit

NSS volunteers are visiting Mariyan Sadan where mentally challenged destitutes are sheltered

There will be various entertainment programmes on connection with the visit at 10.30 am on September 27, 2016
Everyone's co operation is solicited

Programme Officers Principal

Arunapuram
20-9-2016

Volunteers of the NSS unit spent an entire day 27th September 2016 along with mentally challenged friends at Mariyasadanam Psycho Social Rehabilitation Centre Palai to make them happy. Volunteers listened to their chatters, played games with them, performed cultural programs for them as well as enjoyed their programs and had food with them. It was a different program for the volunteers as it provided different insights for them.

DAIRY FARM VISIT

An opportunity to understand scientific methods in dairy farm was given on 5th October 2016. 36 volunteers along with the program officers visited a dairy farm at mutholy village. Farm owner Sri Joseph Kurian, who has won the award for best farmer from the panchayath explained their timetable, breeds of cattles, benefits from dairy farming. It was really an inspiring experience for the volunteers.

Helping hands for the SBT bank customers

HELPING HANDS FOR THE BANK CUSTOMERS

Volunteers of NSS unit of STC Palai came forward to help the society to adjust with the sudden changes in economy due to demonetization. 10 volunteers were deputed in State Bank of Travancore Pala on 11, 12, and 14th November 2016. Customers were provided help in filling forms for banking transactions. Also volunteers waited in queue for elder persons so that they could take rest till their turn comes up.

Restone

Report on Restone An Eco friendly Zero Waste initiatives of Department of Commerce

Value added carry Bags old Shirt (2016-17)

The new initiative of making carry bags from old shirt, department of Commerce, St. Thomas college, Palai , was inaugurated by Sri. Joseph Thomas, President, Indian Citizen Forum, Pala on 20th January 2017. The function was presided over by Sri. Jose Mampambil, President Alumni Association, Department of Commerce, St. Thomas College, Palai. On this occasion, the students of I. M Com and II B.Com students collected around 100 old shirts and handed over it to the first year M.Com Student Aswathy and Jobin who have attained training in switching. The parents of two students from final B.Com also supported for making carry bags. The distribution of carry bags was inaugurated by the College Principal Dr. Sunny Joseph, College Principal inaugurated the distribution of Carry bags by handing over the bags to the college vice principal Rev. Dr. James John. With the whole heart support from the students and teachers from the department around 120 carry bags were made and distributed to the society without any financial motive. Mampambil industries also supported the programme by taking over the total expenses for making the bags.

Plants diversity survey in Granite quarry site

Plants diversity survey in Granite quarry site: Kottamala Granite quarry

Target group : Kerala State Biodiversity Board
Local people of the sites

Participants : 12 students of MSc Botany and Research fellows participated in these programmes.

Name of faculty : Dr. Jomy Augustine

Reports : Copies of reports prepared and sent to Kerala State Legislative Assembly
(Environmental Committee),
Kerala State Biodiversity Board
District Collector, Kottayam
Kerala High Court, Cochin

Kottamala hill is situated in Ramapuram Panchayat of Kottayam district, Kerala. The place is around 17 km from Palai by the side of Palai-Thodupuzha road. The boundaries are maintained by rubber plantations. It is one of the highest hills in Kottayam district with an elevation of 417MASL. The main tributary of Meenachil River namely Lalam Thodu originates from this hill with a beautiful water fall called Thaliyoothum para. The area is beautifully furnished with rock formations and pockets of soil. There is a fantastic cave which is inhabited by rare species of bats also in this hill. The rock is very steep (more than 60°). Ecologically this area is sandwiched between intensively cultivated rubber plantations

With respect to a request from Chairperson, Biodiversity Management Committee, Ramapuram Panchayath regarding the biodiversity assessment of Kottamala hills (Letter dated 28/12/2016), a team consisting of experts (listed below) from Kerala State Biodiversity Board visited Kottamala Hills and surrounding area on 07-03-2017.

1. Dr. Jomy Augustine, Associate professor, St. Thomas College Palai, Kottayam.
2. Dr. Unnikrishnan N, Associate professor, Sree Vidhyadhi Raja NSS College, Vazhoor
3. Dr. Linda John, Principal Scientific Officer, Kerala State Biodiversity Board
4. Thomas Abraham, District Coordinator Kottayam, Kerala State Biodiversity Board
5. Sujith V Gopalan, Project associate, Kerala State Biodiversity Board

The team visited Kurijikavu at the foothills of Kottamala first and then made a complete survey of the Kottamala by accessing the hill on foot.

The survey was conducted on 07-03-2017 at Kottamala and the surrounding area. The team of expert's initially visited Kurinjikkavu (9.8288683333 76.6755983333 Alt: 42.2 AMSL), a Sacred Grove that is situated in the foothills of the Kottamala. On examination of the area, the team found that the "Kavu" was especially rich in floral diversity. The team also assessed the water source of the "Kavu", by evaluating the streams that flow on either side of the "Kavu". The water source potential of the hill was also partly evaluated. The team then visited the proposed site of Kottamala Quarry and the surrounding area, the biodiversity, GPS of location and other biotic parameters were noted.

The top of the Kottamala Hills is the boundary between Idukki and Kottayam District, beyond that the hills proceeds in to Idukki district as a very steep valley. This area is typically untouched by human and is densely wooded by indigenous trees. As the steep of the terrain makes it inaccessible by foot (Refer Google image, Fig 1) the biodiversity of this particular area could not assessed by the team and hence not included in the report presented here.

The study of floral diversity was initially done by a team of post graduate students of Botany of St. Thomas College, Pala under the guidance of Dr. Jomy Augustine. This report was further updated by Dr. Jomy Augustine from the study conducted on 07-03-2017.

The faunal diversity of the area was assessed by the experts from Kerala State Biodiversity Board from the data obtained during the study conducted on 07-03-2017. The only update taken was on the bird diversity of the areas which was provided by Dr. Unnikrishnan N, from his prior studies in the area.

The study of Kottamala and surrounding area has lead to the identification of a biodiversity rich midland area that was previously unnoticed. The team of experts has identified 419 species of Plants, which include 77 species of high medicinal value. In addition to many plant species as detailed in the text, have highly restricted range and are threatened by habitat loss were identified from the study area. It needs to be noted that the percentage of the plants indicate the uniqueness of the areas and further that the percentage of plants endemism noted here is not small because this area is heavily islanded due to rubber plantation for decades. What is left is only a remnant of what was existed as the original vegetation

The faunal diversity is represented by 208 species. The 208 species belong to different classes. 16 species of Mammals, of which 6 belong to Schedules (Sch.) II, 2 of them, belong to Sch. IV and 6 belong to Sch. V of Wild Life Protection Act (WPA). Among the mammals Malabar spiny dormouse (*Platacanthomys lasiurus*) is classified as Vulnerable by IUCN and

is endemic to Western Ghats. 95 species of birds have been recorded from the areas, of which 6 belong to Sch. I of WPA. The team was able to document 11 species of reptiles from the area, of which 2 species belong to Sch. I of WPA and App.I of Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). 10 species of amphibians have been recorded from the areas, among them Waynad bush frog (*Pseudophilautus wayanaadensis*) is classified as endangered by IUCN. In addition to this 47 species of Butterflies and 14 species of odonates and 8 species of insects including spiders have been identified. Considering the short duration of the study it would be noted that biodiversity documented for now would be heavily underestimated. A study that spans for longer period of time can unearth much more diversity compared to what have been achieved for now. The detailed report regarding biodiversity documented, the threats to biodiversity and the ecological importance have been discussed in detail.

Caring and Sharing

“Caring and Sharing”

One Day Service at Kunjachan Missionary Bhavan Ramapuram

The Department of Commerce organised a one-day service named “Caring and Sharing” at the Kunjachan Missionary Bhavan Ramapuram, a charitable Organization providing shelter to the poor mental patients on 17.03.2017. The program was designed to help students to develop an attitude of helping, caring and understanding the socially isolated and mentally challenged poor.

Students and Teachers with the inmates

Eighteen M. Com students accompanied by Prof. Jinu Mathew, spent a day with the inmates of the house, providing them with food and some of the essential items they needed, and performing cultural activities for them. This program brought much joy and self-satisfaction to the students and the inmates there. Students were able to understand some of the painful realities of ordinary life outside the corporate world they are observing and learning. It is an achievement that students have been able to imbibe through this program that human values have great importance in life and career.

Eco-fiesta

ECOFIESTA 2016-17

Most celebrated student activity of Economics Department St. Thomas College Palai – Ecofiesta 2017 was held on 28th February, 2017. The programme was inaugurated by emerging music band of Kerala M4Music. The luster of programme was added by a musical concert by the chief guests. The inaugural meeting was presided by President of Economics Association Ms. Diana Joseph. Principal Dr. Sunny Joseph and HOD Dr. Joy George offered felicitations to the programme.

The events of the programme were designed to develop the skills and talents of students as well as to increase their competence and efficiency in understanding the current economic development. The events included CYNOSURE –(debate competition), MINERVA (Poster designing), ORATIO (PowerPoint presentation) and COGNITO (Quiz competition) . The programme was a grant success with the participation of college students from across the Kerala. Cash prizes worth Rs.60000/- were distributed.

Study on the Critical habitat of western Ghats

Study on the Critical habitat of Western Ghats

Biodiversity refers to the variety and variability among organisms, the ecological complexes in which they occur, and the ways in which they interact with each other and their environment. increasingly humanity has started recognizing the variety of life forms as the natural capital upon which future of mankind thrives for. The biological diversity has been accepted as a vital parameter to assess global and local environmental changes and sustainability of developmental activities (Lovejoy, '1 995). The tropical areas hold much of the biodiversity. India has two of the 1 8 identified biodiversity hotspots in the world namely, the Western Ghats and North eastern Hills where the diversity of life forms is known to exhibit its extraordinary potential.

Idukki Wildlife Sanctuary situated in Idukki district of Kerala state. The total extent of the sanctuary is 105.364 sqkm which includes 53 sq.km water body of the Idukki Reservoir. The Idukki Reservoir forms the sanctuary's northern, eastern, and western boundaries. Only the southern part is connected to the mainland where it is completely demarcated. Idukki Wildlife Sanctuary is an isolated patch of forests which was cut off from the adjacent areas due to development process and habitat destruction. The elevation ranges from 500m to 1272m. The highest peak in the sanctuary is Kizhukaiachimaia (1 272m). There are 5 types of vegetation in Idukki WL5. They are Moist Deciduous Forest, Semi evergreen forests, Evergreen Forests, Hilltop evergreen forests and Grasslands.

Hill shola like forests of this sanctuary was extensively surveyed in this study. Hill sholas constitute about 1 % of the total area. They occur at areas like Chenthuva, Paramedu, Chempanmaali and Kizhakkaiachi. The species composition of this forest type is not much different from that of hill top evergreen forests (Chandrasekharan, 1 962). With regard to the origin and species composition, this type of forest is much different from that of mountain shola forests of South India.

Major trees are *Cullenia exarillata*, *Falguium ellipticum*, *Canarium strictum*, *Holigarna amottiana*, *Myristica dactyloides*, *Dysoxylum blenectariferum*, *Mesua ferrea*, *Acrocarpus fraxinifolius*, *Meliosma pinnata* var. *arnottiana*, *Syzygium gardneri*, *Litsea oieoides*, *Cassine paniculata*, etc. The trees of middle canopy are *Caesalpinia rubroens*, *C. ovata*, *Litsea glabrata*, *L. Insigne*, *Hydnocarpus alpinia*, *Diospyros ovalifolia*, *D. nellgherrense*, *Bhesa indica*, *Elaeocarpus gnodulosum*, *Coffea crassifolia*, *Dypteris Wightii*, *Lepisanthes tetraphylla*, *Agrostis aohys borneensis*, *Scoiopia crenata*, *Chlonanthus ramiflorus*, etc.

There are 167 species of trees, 70 species of shrubs, 95 species of herbs, 72 species of climbers, 16 species of epiphytes and 5 species of parasites. They consist of dicotyledons, monocotyledons and grasses. 258 species of flowering plants identified from the sanctuary are Peninsular Indian Endemics.

Team involved in Biodiversity survey at Idukki Wildlife Sanctuary

Blood grouping camp

Blood grouping camp 2016-17

In association with blood donation forum of St. Thomas College Pala, every academic year the department of microbiology and Biotechnology has conducted a blood grouping campaign among the first year students of UG, and PG programmes. The students of this department were actively participating in this campaign under the supervisions and guide lines of their teachers. This campaign definitely encourages the students to donate their blood to the needy people. Furthermore after this camp every student who participates in this activity becomes conscious about his blood group. Prof. Noby Mathew and Archana Cheriyan were the teachers in- charge.

List of students from the Department who participated in the activity

1. Albin Joseph, AMB
2. Anjana M, AMB

Intercollegiate Fest [Fledge]

An intercollegiate fest “Fledge” was organized by the Department of Zoology, St. Thomas College Pala on 23rd February 2017. The formal inauguration of the Zoology Fest was done by Dr. Benny P.J. (Head, Department of Zoology, St. Thomas College Pala) in the Library hall. The programme started at 10am with a prayer song. Students from 10 different colleges actively participated in the programme. Quiz competition and Spot identification contest were conducted as part of the programme. 20 different teams [two members each] from different colleges were competed in the quiz programme and 18 members were participated in the spot identification contest. The quiz programme was led by Prof. Mathew Thomas and spot identification was lead by Dr. Benny P.J. The competitions were over by 12.30 pm and the winners were awarded with prizes by Prof. Baby Augustine [Retired HOD, Department of Zoology] afterwards. First prize for quiz competition was Rs. 7000/- with a trophy and certificate of merit, followed by Rs.3000/- and Rs.1000/- respectively for the second and third prizes. Spot identification winner received Rs.1000/- along with a certificate of merit.

Prof. Mathew Thomas leading the quiz competition

Natural Products in Cancer Treatment

Invited talk on Natural Products in Cancer Treatment

Along with the formal inauguration of activities of the Zoology association, St. Thomas College Pala for the year 2016 – 2017, an Invited talk on Natural Products in Cancer Treatment was delivered by Dr. Ruby John Anto FNASc (Scientist F, Division of Cancer Research, Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram) was carried out on 23-02-2017 in the Library hall.

The program started by 1:30 pm with a prayer song by Pius Sebastian and Yadhu Mohan. Dr. Jayesh Antony (Asst. Professor, Department of Zoology) welcomed the Chief guest and audience. DR. Sunny Joseph (Principal, St. Thomas College Pala) presided over the function. The resource person for the program was Dr. Ruby John Anto FNASc, Scientist Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram, who is a well known personality in Cancer Research and the recipient of National Woman Bio-Scientist Award in 2004 from the Department of Biotechnology (DBT), Govt. of India. The program was felicitated by Prof. Baby Augustine (Rtd. Head, Department of Zoology, St. Thomas College Pala), DR. P.O Augusthy (Associate Professor, Department of Botany, St. Thomas College Pala) Ms. Ambily K Chandran (Lecturer, Department of Zoology, St. Thomas College Pala) and Mr. Arun Justin (President, Zoology Association). The general meeting was over by 2:30 pm and after a short tea break, talk by Ruby John Anto started by 2:45pm. The participants of the invited speech were the students from Department of Zoology, Botany and Biostatistics of St.Thomas College Palai and post graduate students from Department of Zoology, Alphonsa College Palai. The talk was followed by a short interactive session. Sri. Fejin J. Felix (Secretary, Zoology Association) expressed the vote of thanks. The program ended at 4.30 pm.

English Speaking Corner

English Speaking Corner

As an Extension Activity of Department of English, St. Thomas College, Palai, an 'English Speaking Corner' Programme was arranged for the students. It is a space devoted to students who can talk and express their ideas in English without any fear or inhibition. A day in a week was handled by each batch from the department. They headed the activities for that day and encouraged students from other departments to involve in the talk.

The Programme was inaugurated by the esteemed principal of our college. All teachers from the department participated in the programme which was entirely a student-oriented one.

Prof. K. Philip John Memorial Endowment Lecture and Business Plan Presentation Contest on Value Addition in Agro and Dairy Products

Prof. K. Philip John Memorial Academic Foundation was instituted by the Commerce Alumni Association, St. Thomas College, Pala in association with Koovakunnel family with a corpus fund of rupees one lakh in the Silver Jubilee year of the introduction of M Com Degree course in the college, in order to perpetuate the fond memories of the late Prof. K. Philip John, who took initiative in introducing the postgraduate course. The foundation intends to conduct lectures, organise intercollegiate seminars and competitions, provide incentives to deserving students and make arrangements for campus placement.

**മുല്യവർദ്ധിത
കാർഷികഉൽപ്പന്നങ്ങൾ
എന്ന വിഷയത്തിൽ സെമിനാറും
പ്രദർശനവും മത്സരവും നടത്തുന്നു**

തീയതി: 29 ജനുവരി 2016
സ്ഥലം: പാലാ സെന്റ് തോമസ് കോളേജ് ഓഡിറ്റോറിയം

The rationale behind the programme is to educate the public and students about the benefits of value addition in agriculture and dairy products, to develop entrepreneurship among participants, to create an online platform for micro units and homemade products to market their products/services with entrepreneurial spirit and also provide a platform to the

participants for showcasing their value added food products. Unlike other seminars and workshops, this programme not only limited to a particular topic discussion but it also included contest and exhibitions.

The programme was inaugurated at 10 AM on 29.01.2016 in the college auditorium by Very. Rev. Msgr. Abraham Kollithanathumalayil, Vicar General Diocese of Palai. In his keynote address he shared his views about value addition in agro-dairy products and pointed the initiatives taken by Pala Diocese to farmers' empowerment, assistance etc. Dr. Sunny Joseph, Principal of the College presides over the function and said that value addition is essential in any field in order to survive in the long run. Ms. Resmi I, Manager VFPCCK, Kottayam made facilitation and she spoke on the changes that would happen in the field of agricultural and dairy value added products. Dr. James John Mangalath, Vice-Principal of the college, Prof K. V. John, Head of the Department offered felicitations. Prof. Bobby Simon, Commerce Forum Director, welcomed the gathering and Prof. Binoy Chacko, Convener of the programme proposed the vote of thanks. Ms. Remya R & Ms. Shijini V M, Assistant Managers VFPCCK, Kottayam made lecture on the topics such as agro processing, benefits of value added agricultural products by presenting original products, hazardous food chemicals etc. About 100 or more value added products presented this session.

Venues of business plant contest were St. Thomas College, Auditorium and Library Hall. Public participants were given freedom of presenting their products within the auditorium and contest for students held in the library hall. Out of nine teams selected from preliminary round of business plan contest for public participants, Ancy Mathew (Mangalathil, Pala), Mathew Joseph and Reji Joseph (VFPCCK, Parathodu) and Ruby Thomas (Thengumthottathil, Puliyanoor) secured first, second and third prize respectively. From student teams category, Nithin Varghese (S.B College Changanassery), Arun Mohanan and Jinesh George (Presentation College, Puthenvayalil) and Amal C. Shaji and Ajith Aji (Mate Foundation) secured first, second and third prize respectively. About more than 100 value added products presented in the auditorium. Public were also allowed to taste the sample product. Prof. Jinu Mathew developed a blog covering candidates details, their products etc. The blog named as "Taste of Kalavara". Adv. George C. Kappen, President, KISCO Bank, officially launched the blog.

Visit to Special School

Visit to Special School

Department of Economics, St. Thomas College, Palai conducted a visit to Shalom Special School for mentally retarded situated at Puliyanoor on 15th July 2016. The pupil in the special school was the target group. All the PG students of the department accompanied by all the faculty members actively involved in the programme. Our students mingled and spent some time with them. They shared some happiest moments with them. They also staged variety of cultural events in front of the students there. Further, our students distributed some study materials to them like note books, pencils, pens, color pens etc. After this the students of special school performed some cultural activities like songs, and dances for us. The visit and the interaction with such students provided a new experience for the students.

Consultancy of X-ray Diffractometer

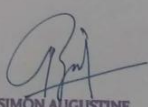

X Ray Diffractometer

A RIGAKU Miniflex 600 powder diffractometer is installed in the Department of Physics under the DST FIST support. The setup is being used for structural characterization of research samples of teachers and students from all over India as part of our consultancy programme. A nominal fee is charged for maintenance of the setup. During 2016-17, 459 Samples were analyzed.

3.4.1(B): CONSULTANCY 2016-2017

Number of samples (from MG university centre, CUSAT, Various colleges from Kerala and outside) analyzed using RIGAKU Miniflex 600 powder diffractometer.

EYE TEST CAMP

Karuthal, a free eye test camp organized by NSS unit of STC Pala in association with St. George Eye hospital Erattupetta was a grand success. The program which reflected the caring attitude of NSS unit was conducted on 3rd February 2017 .About 350 students and 50 staffs benefitted from the camp which was lead by Dr. Joseph Francis. Participants undergone complete eye checkup with the help of modern machines and who were diagnosed with faults were provided with free medicines

Science Popularization Campaign

SCIENCE POPULARISATION CAMPAIGN

In addition to this the faculty members, students and research scholars of the department published several articles during these years in popular science magazines with an intention to inculcate rational and scientific knowledge among the students and the public. 'Saasthrapadham', a popular science magazine, published in Malayalam language with wide circulation among the school and college students and the public all over Kerala is used by our faculty and students as an excellent platform for propagating this motto. Dr. G. D. Gem Mathew, Associate Professor of the chemistry department serves as the chief editor of the magazine and Dr. Sunny Kuriakose, HOD of chemistry department serves as the editor of chemistry section of the magazine for more than a decade. During the academic year 2016-2017 the following scientific articles were published in the popular science magazine.

ARTICLES PUBLISHED DURING 2016-2017

2016 - 2017

Principal's Message

No Solitaire, Only Teamplay

Every eventful academic year is an important milestone in the annals of the academia. The year 2016-17 stands out with its glittering academic performance and infrastructural development. We have witnessed a quantum leap in respect of augmentation in infrastructural facilities with the inauguration of the Integrated Sports Complex. It includes a vast auditorium that seats over a thousand people. Construction of an air-conditioned conference hall/assembly room in the ground floor of the sports complex is well underway.

The greatest academic event of the year, that has taken centre stage among activities of the year, was the International Conference on Materials Science and Technology organised by the Dept. of Physics. St. Thomas College was really blessed with the esteemed presence of two Nobel laureates in Physics Prof. Klaus von Klitzing (Germany) and Prof. Ada E. Yonath (Israel), both of them highly distinguished in their fields of research. We are, as reported, the first college in the state to have the rare privilege of having two Nobel laureates as resource persons for the same event. The conference was also attended by eminent scientists and technocrats from abroad alongside experts from various Indian universities and colleges. Members of the Physics faculty of our college, especially Dr. Michael Augustine, HoD and Dr. Ginson P. Joseph, convener of the conference, deserve special commendation.

The performance of our students in academics and sports this year has been really creditable. There was a general blossoming out in studies, sports and extra curricular activities as evidenced by the ranks, grades, prizes and trophies won by our students. Everything went fair, there was no bad blood, no gravitation toward rude behaviour or chicanery, and the peace and harmony that prevailed in the campus enabled us to reap a good harvest in the academic field. I thank the teachers for their wholehearted support and committed teaching, the non-teaching staff for their co-operation and devoted work, the students for their diligence and participation, the parents for their caring and concern and the management, university, the UGC and the Government for their guidance and patronage. Our patron H. E. Mar Joseph Kallarangatt, Bishop of Palai and our Manager H. E. Mar Jacob Murickan, Auxiliary Bishop of Palai have been pillars of strength and beacons of hope for this institution. Our academic and other achievements bear witness to Almighty God's infinite mercy. Right from the moment of conceiving the idea of establishing an institution of higher learning by our founding fathers, God has showered his choicest blessings upon us, all through these academic decades.

I take this opportunity to thank everyone for their unstinting support and co-operation in the administration of this mighty institution. The responsibilities I shoulder in his institution are exciting, enriching and also challenging. Let us rise in the academic heavens as one, as a single entity endowed with a sense of solidarity and purpose.

I wish all success to our great institution and each one of its stakeholders. God bless you!

Dr. Joy George

Second International Conference on Materials Science and Technology (ICMST 2016) Conducted

Nobel Laureates Prof. Ada E. Yonath and Prof. Klaus von Klitzing deliver plenary talks

As a sequel to the first International Conference on Materials Science and Technology (ICMST 2012), the Department of Physics conducted the second ICMST from 5 to 8 June 2016 with the participation of around 550 scholars and delegates from 20 countries. The conference opened with a public lecture by Prof. Ravi Subramanian, Director of Raman Research Institute, Bangalore, on 5 June 2016. The formal inauguration of ICMST 2016 was conducted on 6 June 2016 by Prof. P. J. Kurian, Honourable Deputy Chairman of the Rajya Sabha, in the presence of the Nobel laureates Prof. Ada E. Yonath (Israel) and Prof. Klaus von Klitzing (Germany). H. E. Mar Joseph Kallarangatt, Bishop of Palai and Patron of the College, presided over the inaugural function. Principal Dr. Sunny Joseph felicitated. Dr. Michael Augustine (Head, Dept. of Physics) welcomed the gathering and Dr. Ginson P. Joseph (Convener)

EXTENSION AND OUTREACH PROGRAMMES

Extension Programme for Migrant Labourers

The faculty of the Dept. of Hindi interacts with migrant labourers

The Department of Hindi organised an extension programme for labourers from different parts of the country working in Kerala. The members of the faculty had an open interaction with them and studied their problems in detail. The migrants from other states often find it difficult to integrate due to large differences in culture, food habits, language and

lifestyle, especially the local cuisine, which is unpalatable to many migrants' taste due to the presence of coconut oil. Locals also experience problems of higher rents, which result in many local businesses being no longer viable, while renters cannot afford to pay their rent.

Sastrapadham Science Magazine

Seven issues of *Sastrapadham*, the popular science magazine in Malayalam for school children, were brought out under the initiative of the teachers of the College. They are August 2016 issue on 'Photochemistry' by Dr. Sunny Kuriakose (Dept. of Chemistry); September 2016 issue on 'Endemic Protection of Environment' by Dr. Jomy Augustine (Dept. of Botany); October 2016 issue on 'The World of Statistics' by Dr. K. K. Jose (Dept. of Biostatistics); November 2016 issue on 'Electric Bulbs' by Dr. Ison V. Vanchipurackal (Dept. of Physics); December 2016 issue on 'The Fascinating World of Numbers' by Dr. Sunil C. Mathew (Dept. of Mathematics); February 2017 issue on 'Genetic Engineering' by Ms. Archana Cherian and Ms. Simi Jacob (Dept. of Biotechnology and Applied Microbiology) and March 2017 issue on 'Science@2016' by Dr. G. D. Gem Mathew (Dept. of Chemistry).

ReStone - Eco-Friendly Initiative

Principal Dr. Sunny Joseph inaugurates the ReStone carry bag distribution

ReStone - A zero waste eco-friendly initiative was inaugurated by distributing carry bags made from old shirts on 10 February 2017. It is a socially oriented programme initiated under Commerce Academic Social Responsibility Forum. Old shirts were collected by the students and converted into carry

bags which were distributed to the public and those who were interested in using these cloth bags instead of plastic carry bags. Around 210 carry bags were distributed during the period 2016-17.

All Kerala Higher Secondary School Science Quiz

The All Kerala Higher Secondary School *Sastrapadham* Science Quiz 2017 for Rev. Fr. James Kaippanplackal Memorial Trophy was conducted on 13 January 2017 at St. Mary's Church Auditorium, Lalam, Pala, under the joint auspices of the science departments of the College and Science Education Trust (SET), Kottayam. A panel of teachers from the College comprising Dr. G. D. Gem Mathew (Dept. of Chemistry), Dr. Jomy Augustine (Head, Dept. of Botany), Dr. Sunil C. Mathew (Dept. of Mathematics) and Dr. Ison V. Vanchipurackal (Dept. of

Physics) were the quiz masters. The science quiz programme was inaugurated by Rev. Fr. Sebastian Alappattukunnel, Vicar, St. Mary's Church, Lalam at meeting presided over by Rev. Fr. Joseph Alancheril, Executive Editor, *Sastrapadham* Science Magazine. More than twenty teams representing higher secondary schools from all over Kerala participated in the science quiz competition. The teams representing St. Thomas HSS, Pala; St. Thomas HSS, Erumely and St. Anne's HSS, Kurianad won the first, second and third prizes respectively.

Naval Wing

Sub Unit Commander : **Lieut (Dr.) P. D. George**
(Department of Hindi)

- * Two of the cadets Bibin Babu and Ajith Ashokan participated in the Republic Day Camp and Nav Sainik Camp respectively. Five of our cadets participated in the Inter Group Competition camps of RD and NSC.
- * Cadets Alan Christian Joy and Joseph Roy participated in National Trekking camp and Cadet Sujith T. S. along with Cadet Emmanuel P. Jose participated in sailing camp. Our Unit conducted blood donation camps, Annual Training camps and training of different kinds.

- * 20 of our cadets took part in the Independence and Republic Day parades held at the district police headquarters.
- * Our Unit conducted a green drive on Environment Day in which we planted medicinal tree saplings to spread the green message to all.
- * The cadets along with the ANO visited *Mariyasadanam*, a psycho rehabilitation centre at Pala to inculcate in youth the message of anti-alcoholism.
- * In the Annual Training Camp hosted by our College, cadets from several colleges participated and numerous competitions were held.

NATIONAL SERVICE SCHEME (NSS)

The NSS Unit hands over the fund for Idamalakkudy to the Principal Dr. Sunny Joseph

Helping Hands for Idamalakkudy

The NSS Unit of the College in association with Deepika Friends Club lent a helping hand for the Muthuvan tribe in Idamalakkudy. NSS volunteers organized a fund raising campaign in the College to meet the expenses for buying rice and other food materials for the tribal people who live in poverty. In the program conducted under the guidance of Fr. Jino Perumattom, Co-ordinator of Deepika Friends Club, NSS volunteers raised an amount of Rs. 9,250/- from students and college staff.

Environment Day Celebrations

The College Principal, Dr. Sunny Joseph inaugurated the function on 10 June 2016 by planting a tree sapling near the B block of the College. The volunteers and Programme Officers along with the Principal took the oath to preserve and protect the environment.

Clean College Awareness Campaign

On 16 June 2016, the NSS volunteers divided themselves into four groups in order to spread the message of keeping the campus clean by reaching all the classes. Through brief speeches and interactions the NSS volunteers were able to

make all the students aware of the need and the ways to keep the campus clean.

Swachh Bharat Mission - Public Places and Campus Cleaning

NSS Volunteers cleaned the campus and public places on 12 August 2016 as part of Swachh Bharat Mission. Volunteers conceived the idea of Swachh Bharat Mission and efficiently took part in the programme to keep the campus, public places and eventually the country clean.

Family Meet of the Blind

In collaboration with the Kerala Federation of the Blind, National Service Scheme unit of the College organized a family meet of the blind in the district. The program provided some moments for the blind to enjoy by sharing their experiences with others. The unit also collected a good amount from the college to support the activities of their association. Along with these programs, inauguration of the Golden Jubilee celebrations of the Association was carried out by Hon'ble Justice B. Kemal Pasha of the Kerala High Court.

Hon'ble Justice B. Kemal Pasha inaugurates the Golden Jubilee Celebrations of Kerala Federation of the Blind

Seven-Day Special Camp

Sri. Jose K. Mani MP inaugurates the seven-day special camp of the NSS Unit

The seven-day special camp of the NSS Unit started on 9 September 2016 at Christhujyothi English Medium School, Kayyoor.

The Camp was inaugurated by Sri. Jose K. Mani MP in the presence of Dr. Sunny Joseph, Principal and Sri. Francis Baby, Principal of the host school. Soon after the inauguration ceremony, a debate was held on the topic 'Does social media badly influence the youth?' Next sessions were led by Prof. Ashish Joseph on the topic 'Basic life support and first aid' and by Prof. Joby Mathew on 'Time management'.

On 11 September, the volunteers visited Don Bosco Poor Home at Kadanadu, to inculcate values of social commitment in themselves. A seminar led by Prof. Tony Joseph on 'Tips for a happy life' was very motivating. After the class volunteers set out for an anti-plastic campaign at 'Naadukaani', an ecotourism spot.

On the fourth day, our volunteers declared their social commitment by helping Govt. LP School, Kayyoor to start organic farming. After this Sri. Maju Puthenkandam, former Panchayath President, made the volunteers aware of environment concerns.

On 13 September, the camp members prepared a playground to suit the interests of the school children. Dr. Thomas Scaria took a class on the topic 'Literature and creativity'.

On the sixth day, Onam was celebrated in the camp with different games arranged by the program officers and volunteer secretaries and a sumptuous Onam meal. It was followed by a class on 'Career and civil service' by Dr. Davis Xavier.

The camp which gave many memorable moments for the

volunteers came to an end on 15 September 2016 with a closing ceremony presided over by Rev. Dr. James John Mangalathu, Vice Principal.

Yoga Day Celebration

Dr. Simon Augustine, Associate Professor in Physics as well as a Yoga Master, accepted our invitation to render a class on Yoga and to demonstrate Yoga *Asanas* and *Pranayama*. Prof. Simon taught us the basic lessons in Yoga and helped us in doing certain *Asanas*.

Epidemic Awareness and Free Medicine Distribution

In order to prevent the epidemics which spread during the monsoon an awareness class was conducted in association with Govt. Homoeo Hospital on 21 July 2016. Preventive homeo medicines for epidemics were distributed free of cost. Dr. Anaswara T.R. and Dr. Joseph P.J. led the sessions.

Nature Camp

The NSS Unit in association with the Forest Department conducted a nature camp at Vellappara Wildlife Sanctuary in Idukki from 13 to 15 February 2017. The camp was another evidence of the social commitment of our NSS unit to make the younger generation aware of the importance of conserving forest and wildlife.

As part of the Swachh Bharath Mission, volunteers cleaned the tourist spot Hillview Point and its nearby places. Bird - watching program and trekking along with forest department officials helped the volunteers enjoy the beauty of nature and sense its importance. The Camp also included awareness

Vice Principal Rev. Dr. James John Mangalathu leads the national integrity pledge at the Ekta Divas celebrations

classes by BFOs on topics of biodiversity in the Western Ghats and the role of the youth in environment protection.

Road Safety Survey

In association with the World Bank, KSTP, PWD and Kerala Police, the NSS Unit conducted a road safety survey. After getting trained by the officials, the volunteers set out to conduct a survey on the highways to understand the mindset of the people who use public roads - their awareness of road laws, the use of helmet and seat belt, importance of road signals etc - under the leadership of Community Road Safety Program Field Officer Sri. V.G. Harish Kumar, Road Safety Program Director Sri. Shabeer Mohammed and NSS Program Officers.

ANTI-NARCOTIC CLUB

The activities of the Anti-Narcotic Club for the year 2016-17 were inaugurated by Sri. Suresh Richard (Deputy Excise Commissioner, Kottayam) on 26 July 2016. He also led a class on the 'Harmful Effects of Alcohol and Narcotic Drugs' on the occasion. The programme was co-ordinated by Dr. Biju K. C. (Dept. of Economics), Director of the Anti-Narcotic Club.

FACULTY OF RELIGION

The Faculty of Religion organized retreats and value education classes for all the students. Catechism classes for catholic students and moral classes for non-catholic students were organized during this year also. Holy Qurbana was celebrated every first Friday. Annual retreats and spiritual enlightening classes were held for all degree and PG students. October devotion and rosary for 10 days were regularly conducted during October 2016. Christmas celebrations were held at departmental level on 17 December 2016. Retreat for teachers was conducted on 22 December 2016 by Rev. Fr. John Puthuva of Ernakulam-Angamaly Archdiocese. There are 38 faculty members who serve in the Faculty of Religion.

Ekta Divas Celebrations

As a mark of respect to 'The Iron Man of India', Sardar Vallabhai Patel, his birthday October 31 was celebrated as 'Ekta Divas' in the College by the NSS. In the meeting held under the presidency of the Vice Principal Rev. Dr. James John Mangalathu, the Program Officers Prof. Princemon Jose, Prof. Amal Jose Baby and Volunteer Secretaries Mr. Dibin V. Alanakara and Mr. Ashik Sebastain commemorated the contributions of Sardar Vallabhai Patel, our first Deputy Prime Minister, in unifying our nation. The students also took a pledge to work for the integrity of the nation.

ENERGY AND ENVIRONMENT CLUB

A seminar on the development of LED bulbs and their varieties was organized by the Energy and Environment Club of the College. The programme was led by Dr. Nibu A. George, Department of Physics, Baselius College, Kottayam, a patent holder in this area. The programme was organized by Dr. Ison V. Vanchipurackal (Dept. of Physics), Director of the Club.

Dr. Nibu A. George

ENTREPRENEURSHIP DEVELOPMENT (ED) CLUB

The Entrepreneurship Development (ED) Club organised a seminar on the topic 'Career Development Through Sales and Marketing' on 13 February 2017. Mr. James Mathew Pullatt, a successful businessman based in UAE, was the chief resource person. Prof. Bobby Simon (Dept. of Commerce), Director of ED Club, co-ordinated the programme.
