English Speaking Corner

English Speaking Corner

As an Extension Activity of Department of English, St. Thomas College, Palai, an 'English Speaking Corner' Programme was arranged for the students. It is a space devoted to students who can talk and express their ideas in English without any fear or inhibition. A day in a week was handled by each batch from the department. They headed the activities for that day and encouraged students from other departments to involve in the talk.

The Programme was inaugurated by the esteemed principal of our college. All teachers from the department participated in the programme which was entirely a student-oriented one.

ORGANIC FARMING AT GLPS KADAYAM

Many of our life style diseases are due to our food habits. The chemicals contained in vegetables and fruits lead to cancer and the other deadly diseases. Only way to check this is to cultivate fruits and vegetables at least for our requirement by using bio fertilizers. NSS unit started organic farming in the premises of Govt. L P School Kadayam Pala on August 8th 2017. Mrs. Renu Mathew, Agricultural officer explained scientifically methods in organic farming. Volunteers were divided into different groups and they looked after the cultivation under the leadership of program officers and volunteer secretaries. We were able to cultivate vegetables like cucumber, pea, bitter gaurd etc.

Nature Camp and Cleaning of the Thattakkad tourist spot

NATURE CAMP AND CLEANING THATTEKKADU

NSS unit of STC pala in association with the forest department conducted a nature camp at Thattakkad , Bird sanctuary from 29 July 2017 to 31^{th} July 2017 . The camp was another evidence of the social commitment of NSS unit to make the young generation aware of the importance to conserve forest and wildlife .The camp was informative and interesting.

As part of the Swatch Bharath Mission , volunteers cleaned the tourist sport hill view point and its nearby places. Bird watching program and trekking along with forest department officials helped the volunteers to study more about nature. They enjoyed the beauty of the nature. Camp also included awareness classes by BFOs on topics Birds, role of youth in environment protection.

NSS SEVEN DAY CAMP JAIVOM 2017

NSS seven day camp JAIVOM 2017 of the NSS volunteers of St. Thomas College was started on 31 August 2017 in the college campus. The camp was inaugurated by Smt. Beena Sunny; Hon. President of Mutholy Panchayath by 3:30 PM. St Thomas College Principal Dr. Joy George addressed our inaugural ceremony. NSS program officers Sri: Prince Mon Jose and Sri. Amal Jose Baby along with the volunteer secretaries Jim Joseph, Sonu Sunny, Jose Tom were presented and were accompanied by 88 active NSS volunteers of St. Thomas College, Palai.

NSS volunteers took great initiative to conduct the JAIVOM 2017 survey in the 13 wards of Mutholy Panchayath under the leadership of the program officers. They were always there to clear the doubts of NSS volunteers regarding the project JAIVOM 2017.

We daily had camp assembly in the morning which comprised of yoga, news paper reading, reading of camp paper, report and also a thought for the day. The JAIVOM 2017 Survey was conducted successfully by the volunteers of St. Thomas College Palai in Mutholy Panchayath of Kottayam District. The volunteers gave awareness regarding Organic Farming to the people and volunteers keenly resolved their doubts regarding the various aspects of Organic Farming.

The seven day NSS camp - JAIVOM 2017 was concluded on September 6 , 2017 after a closing ceremony.

Plants diversity survey in Teak Plantations

FLOWERING PLANTS SEEN IN THE OLD TEAK PLANTATION (1946) KOTHAMANGALAM DIVISION.

List Prepared by

PG and Research Department of Botany St. Thomas College, Palai The effect of continuous teak plantation on the soil properties and the capacity of the site to sustain the level of productivity was a serious issue discussed among foresters. Browne ascribed poor growth in some second rotation teak plantations in Nilambur to soil deterioration under the first rotation plantation. The need to maintain site productivity in the context of teak plantations in Nilambur was stressed in the third Silvicultural Conference in 1929. Champion, the central Silviculturist carried out an extensive study of the problem and brought out a forest bulletin on 'the problem of pure teak plantations'. He found the soil to be comparatively much harder in plantations apparently due to exposure to the sun and wind in the hot season and to the effect of drip in the rains. The hardening of the surface soil under pure teak without any undergrowth promoted rapid erosion which resulted in excessive washing away of the fertile top soil.

The Team surveys the plants presents in teak plantation at Kothamangalam forest range

The adverse effect of erosion was aggravated in plantations affected by fire. He mentioned that although adequate experimental evidence of soil deterioration under pure teak was lacking it was advisable to maintain a natural undergrowth and to provide strict fire protection to protect the soil against soil deterioration. The data required for this study were the yields from teak plantations, cost of different operations, price of teakwood and poles, information on site quality of plantations etc. Data were collected from unpublished records

such as the files, documents and publications such as Working Plans and Annual Administration Reports of the Kerala Forest Department. As part of the present survey a approximately 113 plants were found in the forest range. The list are following,

Food Fest 2018

Food fest- 2017-18

The Department of Vocational Education has conducted food fest on 15th February 2018 in the college auditorium. Around 250 students had participated in this fest. Students, teachers of the college and Public were the target group.

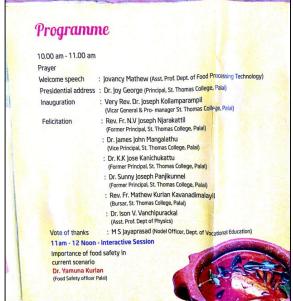

Dr Yamuna Kurian, food safety officer Palai was the resource person. There was an interactive session on the topic "Importance of food safety in current scenario". This interactive session was really a new experience for students and it helped them to know more about Food Safety and Standards Act and its implementation.

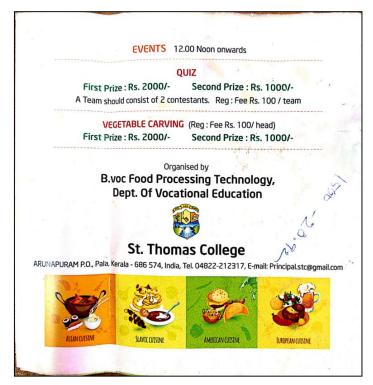

The food fest 2018 was a combination of health and taste with a variety of stalls which include BMI clinic, diet clinic, adulteration testing, fresh juice and health drinks, jackfruit products, dairy products and ethinic foods.

The food fest 2018 was successfully executed by the students under the guidance of staff co-ordinators Mrs.Jovancy Mathew, Mrs Minu Abraham, Mrs Gisha T Mathew, Mrs.Jinu T Jose. The fest helped the students to learn team work, leadership and overall management skills.

Agri Fest 2017

Agri fest- 2017-18

Agri fest was conducted in St. Thomas College, Palai on 5th and 6th of July 2017. The fest was conducted under the scheme "Kissan Goshti" of Agriculture Technology Management Agency (ATMA) along with Department of Agriculture Development & Farmer's Welfare. Regional Agricultural Research Station (RARS) and Krishi Vigyan Kendra (KVK), Kumarakom under Kerala Agricultural University extended technical support to the fest.

Two hundred and fifty students participated in the fest. Resource persons were Dr. Vandana Venugopal, Scientist, R.A.R.S and Ms. Anitha, Asst. Director of Agriculture, District Soil Testing Laboratory, Kozha. Dr. Vandana Venugopal took class about Homestead vegetable cultivation and Ms. Anitha took class about soil sampling and testing.

Target group of the fest was farmers, students and teachers of the college and public. Sixty farmers and students of various vocational higher secondary schools were participated in the fest. The exhibition organised by B.Voc. (S.A.) students disseminated new agricultural methods and technologies to the farmers as well as to the public. The demonstration include integrated farming system model, terrariums, composting, integrated pest management methods etc. B.voc. (FPT) students sold cookies and cakes made by them to the public. The teachers participated in the fest were M.S.Jayaprasad, Dr. Lini L.Alappat, Renu Mathew, Roshan Joseph, Minu Abraham, Jinu T. Jose, Jovancy Mathew, Gisha T. Mathew, Arun P.M. and Jibin Joseph.

St. Thomas College

St. Thomas College was founded in 1950 by the Catholic Diocese of Palai. Its vision is to create a centre of excellence through the formation of young people empowered to create bright future for themselves and others, irrespective of caste, creed, religion or language through dissemination of knowledge, skills and noble values. It has to its credit more than 67 years of distinguished service in the field of higher education in the state of Kerala. It offers 19 UG, 14 PG and 11 Doctoral programmes under the affiliation of MG University. The college is re-accredited with A-grade by the NAAC in 2015 and UGC approved this College as College with Potential for Excellence.

About the Department

The Research and Post Graduate Department of Chemistry, since 1952 -the year of its starting has shown large number of Degree and Post Graduate batches the way to victory. Department is an approved research centre for Ph.D. programmes. The department has extensive laboratory facilities for UG, PG and Ph.D. programmes and sophisticated instrumentation facilities and a modern computer lab. The students from the department won many university ranks apart from many selections in CSIR-UGG JRF/NET exam. DST, Government of India has selected this department as a DST FIST supported Department in 2008.

- Entry is open to PG, UG and Higher Secondary students.
- All the participants are required to carry valid proof of identity.
- Candidates from different institutions will be allowed to form a team.
- * Team composition cannot be changed once the prelims has been started.
- * The participants are required to enquire about the time schedule of the events and must recort on time.
- Decision of the organisers and judges will be final and binding on all issues related to all the events and correspondence in the regard would not be entertained.
- The organisers retain the right to make any change to the date, format or rules of the event at any time before the event, if situation demands so.
- Any form of misconduct may result in the disqualification of the team or participant.

Blood grouping camp

Blood grouping camp

In association with blood donation forum of St. Thomas College Pala, every academic year the department of microbiology and Biotechnology has conducted a blood grouping campaign among the first year students of UG, and PG programmes. The students of this department were actively participating in this campaign under the supervisions and guide lines of their teachers. This campaign definitely encourages the students to donate their blood to the needy people. Furthermore after this camp every student who participates in this activity becomes conscious about his blood group.

Rice Cultivation

RICE CULTIVATION: (2017-18)

Paddy cultivation was done on 20th September 2017, by students of 2015 & 2016 batches B.Voc (Sustainable Agriculture) of St.ThomasCollege,Palai at South Kidangoor Padasekharam. The area cultivated was 0.5 hectare (1.235 Acres) Students prepared rice nursery and seedlings were transplanted to the main field. 32 Kg of paddy seeds were used for raising nursery. The variety used was Jyothi. Students got help from thescientists of Kerala Agricultural University and Department of Agriculture, Kerala.

As most of the soils of Kerala are acidic, liming was done first to reduce acidity of field. Seedlings were treated with Pseudomonas to reduce the incidence of diseases. Fertilizers were applied according to the package of practices of Kerala Agricultural University. Trichocards were placed as a biological control measure to reduce the attack of major pests of rice, stem borer and leaf roller. This considerably helped to reduce the use of pesticides in field. In addition to this, marigold and maize seedlings were planted in the bunds of field as a part ecological engineering. Also light traps powered by solar energy were installed to control the pests.Pesudomonas spray was given for diseases control. Because of all these Good Agricultural Practices (GAPs), we didn't apply any hazardous pesticide chemicals in the fieldand the farming was fully environmental friendly.

Harvesting was done on 15th January 2018 and a yield of 1.5 tons of paddy obtained during the harvest. The yield was reduced due to the unexpected climatic changes and heavy rain. Harvesting was inaugurated by college Principal Dr. Joy George, Vice Principal Dr. James John Mangalath, Kidangoor Panchayath President, Ward Member, Kidangoor Padasekhara Samithi President Mr. Velayudhan Pillai, teachers of the Department of Vocational Education, public, farmers of the locality etc were present during the harvesting festival.

ECOFIESTA 2018

Ecofiesta $2018 - 8^{th}$ edition of the prestigious intercollegiate Economics Fest conducted by Economics Association, St Thomas College, Pala was held on 8^{th} February 2018. The fest was inaugurated by cine artist Ms Anjali Nair. The meeting was presided by Arun Robert, President of Economics Association. Principal Dr. Joy George and HOD Prof. Joseph J. Mattom offered felicitations to the meeting.

Inauguration of Ecofiesta

A wide range of programmes were arranged by students under the guidance of Prof. Joji Jacob. The events included COGNITO –the quiz competition, SENTENTIA- debate, TROVER-treasure hunt, ORAMA-photography contest, MINERVA- poster designing. The programme was a great success with large participation from students across the state. Cash prizes worth Rs.50000/- were given to the winners of different events.

Ecofiesta also created a platform for the students of Economics Department to show their talents. A cultural programme by students of the department was also held.

KARUNYASPARSAM: Hands of Help for the Marginalized

NSS Unit of St Thomas College Pala organized the whole college to help the marginalized section of the society. For helping the old citizens who were left alone by their children, volunteers conducted a campaign to collect daily utilities from the students and staff on December 15 2017. The response from college was really amazing. We were able to collect different utility materials. Volunteers along with program officers visited an old age home run by nuns in our adopted village.

Mapping Survey on Health Care Establishments

Mapping survey among the health care establishments

Department of Economics, St. Thomas College, Palai had collaborated with an NGO –Alliance For Change in the mapping survey about health care establishments in various districts of Kerala. National Health Resource Repository (NHRC) of Alliance For Change wanted to collect information regarding the health care establishments in Kerala. For this purpose, they collaborated with the department. Faculty members and a selected 13 students participated in the mapping survey. The information sought after various health establishments like district hospitals, taluk hospitals, community health centres, primary health centre of public and private sector. It also included various labs, chemist shops etc. The data is collected with the help of a mobile app. The field investigators (students) were provided pre-survey training to equip them with right potential. The collected data was consolidated and submitted for further analysis.

CASR Award for best socially committed outgoing PG and UG students

CASR Award for best socially committed outgoing PG and UG students

The Centre for Academic Social Responsibility (CASR) instituted an award titled CASR Award, which is to be distributed to the best socially committed and responsible student passing out from M.Com and B.Com programmes offered by the Department of Commerce. This is in connection with the prime motive of the CASR, i.e. to inculcate and to promote social commitment and responsibility among the students. This goes in line with the vision of the department, i.e. 'to be a centre of excellence in business studies by upholding moral and ethical values'. The awardees were selected by the department from nominations received from students.

CASR Award of the year 2016-17, for postgraduate category was awarded to Smt. Nisha Anna John for her meritorious involvement in the social causes. Sri. Anto Thomas was awarded the CASR award for the undergraduate category, for donating blood 08 times, during his UG study in the department. The awards were distributed by HE Mar Jacob Murickan, Manager of the College during the merit day celebrations of the department on 02 August, 2017, in the presence of Prof. Joy Jacob, Principal of the college and Dr. Sunny Joseph, former Principal of the college. The chairperson of Pala Municipality was chief guest on the occasion.

Science Popularization Campign

SCIENCE POPULARIZATION CAMPAIGN

The Department of Chemistry is dedicated to take every step for the popularization of science and scientific knowledge among the primary, high school and higher secondary school students, college students, teachers, NGOs and the public. This was chosen as a mission of the department, since its inception, and activities have been organizing to fulfill the dictum. The faculty members of the department published several scholarly research articles and text books during the last many years to equip teachers, research scholars and students with up-to-date knowledge in the frontier areas of science, especially chemistry. This is mainly as part of their teaching and research career.

In addition to this the faculty members, students and research scholars of the department published several articles during these years in popular science magazines with an intention to inculcate rational and scientific knowledge among the students and the public. 'Saasthrapadham', a popular science magazine, published in Malayalam language with wide circulation among the school and college students and the public all over Kerala is used by our faculty and students as an excellent platform for propagating this motto. Dr. G. D. Gem Mathew, Associate Professor of the chemistry department serves as the chief editor of the magazine and Dr. Sunny Kuriakose, HOD of chemistry department serves as the editor of chemistry section of the magazine for more than a decade. During the academic year 2017-2018 the following scientific articles were published in the popular science magazine.

Principal's Message Aspiring to be the Best

The academic year 2017-18 was eventful for our college in both academic and co-/extra curricular aspects. The close rapport built up among the stake-holders of this mighty institution of higher learning in central Kerala, which enjoys an enviable track record in academic and allied accomplishments, has enabled us to scale new heights and plunge into more luminous depths of intellectual enterprise. From the treasure-troves of academic sedulity our adept philomaths could unearth bona fide prizes of scholarship.

As we all are patently aware, academic pursuit, the earnest search for knowledge, is shared metier where frontiers are pushed back. In the St. Thomas College family we always uphold the primacy of developing a close rapport between the mentors and the mentees, i.e. our teachers and our students. The responsibilities we took over and our achievements for the year were exciting, remarkable and indeed challenging. Thanks to the dedicated work of our Principal Dr. Joy George and the faculty, St. Thomas community was able to scale the towering heights of success in academic and co-curricular activities.

Last year our college organised a number of international / national conferences and symposia on recent developments in humanities, science and technology. Quite a few research papers in international / national journals have been published by our faculty members and research scholars. Also, papers were presented and invited lectures delivered by our teachers at seminars / workshops at universities, national institutes and other colleges within and outside the state. Three of our teachers were awarded Ph.D. last year.

In the domain of socio-cultural activities our departments organised intercollegiate fests, contests and other programmes. In sports, in the year 2017-18, our teams stood first in several tournaments and championships. Some of our sports persons won medals in championships at national level. A number of events such as intercollegiate and zonal tournaments, championships, camps etc. were organised by our Physical Education Department.

In M. G. University, at PG and UG levels, a good number of our students won top positions. This year we had a substantial number of publications from the campus. There were literary journals, books including textbooks etc. edited / authored by our faculty members. In the co-curricular and extra curricular fields our excellence was attested by the activities of various departmental associations, the NCC, the NSS, the College Union, the RACS Cell, the Faculty of Religion, the PTA, the Alumni Association etc.

The academic year has had its list of losses too. Eight of our eminent teachers and four non-teaching staff members retired from service. I remember their meritorious service with a deep sense of gratitude. Six retired teachers and a former non-teaching staff member were called to eternal rest this year. I pray for the repose of the departed souls.

I assumed the office of Principal on April 1, 2018. Our new Vice-Principal Dr. Sunny Kuriakose also took charge on the same day. I whole heartedly thank Dr. Joy George, our distinguished Principal during 2017-18 for all his support and positive encouragement. I take this opportunity also to thank all the teaching and non-teaching staff members of our college for their unstinting support extended to me during my stint as Vice-Principal of the College. I now request your undivided support and prayers as I take on the new responsibility.

I thank Almighty God for all His blessings and guidance. I remember all my colleagues and students and say a prayer of grateful thanks. I also thank our Patron H.E. Mar Joseph Kallarangatt and our Manager H.E. Mar Jacob Muricken for their paternal support and encouragement.

NATIONAL SERVICE SCHEME (NSS)

Environment Day Celebrations

Principal Dr. Joy George inaugurates the planting of tree saplings on Environment Day

The NSS Unit of the College organized Environment Day celebrations on 5 June 2017. Principal Dr Joy George inaugurated the function by planting a tree sapling near the B Block of the College. This was followed by a brief but relevant message from him. The volunteers and Programme Officers along with the Principal took the oath to preserve and protect the environment.

Clean College Awareness Campaign

On 19 June 2017, the NSS volunteers divided themselves into four groups and reached all classes in order to spread the message of keeping the campus clean. Through brief speeches and interactions the volunteers were able to make all the students aware of the need and the ways to keep the campus clean. Suggestions like using different waste bins for plastic and non-plastic waste, classroom cleaning by the students on a daily basis, placing waste bins in every classroom etc. were well received.

Yoga Day Celebrations

National Service Scheme volunteers and Programme Officers observed Yoga Day on 21 June 2017. Yoga Master Sri. Dettel Joseph, accepted our invitation to take a class on Yoga and to demonstrate

NSS volunters take part in Yoga Day celebrations

Yoga asanas and Pranayama. Sri. Dettel taught the basic lessons in Yoga and helped the volunteers in doing certain asanas.

World Nature Conservation Day - Campus Cleaning

A general campus cleaning was organised by NSS volunteers on 27 July 2017 as part of World Nature Conservation Day. A video presentation about the need for conserving nature was conducted for students.

Nature Camp

The NSS Unit in association with the Forest Department conducted a nature camp at Thattekkad Bird Sanctuary from 29 to 31 July 2017. The camp was another evidence of the social commitment of our NSS unit to make the younger generation aware of the importance to conserve forest and wildlife.

As part of the Swachh Bharath Mission, volunteers cleaned the hill view point and surroundings at the tourist spot. Bird watching program and trekking along with Forest Department officials helped the volunteers study more about nature. They could enjoy the beauty of nature. The Camp also included awareness classes by BFOs on topics of biodiversity in the Western Ghats and the role of youth in environment protection.

Organic Farming

Many of our lifestyle diseases are due to unhealthy food habits. The chemicals contaminating the vegetables and fruits lead to cancer and the other deadly diseases. The only way to check this is to cultivate fruits and vegetables at least for our own requirements using bio-fertilizers. The NSS Unit started organic farming in the premises of Govt. L P School, Kadayam, Pala, on 8 August 2017. Mrs Renu Mathew, Agricultural Officer, explained the scientific methods in organic farming. Volunteers were divided into different groups and they looked after the cultivation under the leadership of the Program Officers and Volunteer Secretaries. They were able to cultivate vegetables like cucumber, pea, bitter gourd etc.

Seven-Day Special Camp

NSS seven-day special camp JAIVOM 2017 of the College started on 31 August 2017 in the college campus. The camp was inaugurated by Smt. Beena Sunny, President of Mutholy Panchayath. Principal Dr. Joy George also graced the inaugural function and addressed the gathering.

NSS volunteers took key initiative in the conduct of JAIVOM 2017 survey in the 13 wards of Mutholy Panchayath under the leadership of the Program Officers . They organised awareness sessions on organic farming for the people of the locality and resolved their doubts regarding the various aspects of organic farming.

There was camp assembly in the morning which comprised yoga, newspaper reading, and reading of camp paper, camp report and also 'a thought for the day'.

The festival of Onam was celebrated by the volunteers on 4 August 2017. The day provided great refreshment for the volunteers

as there were many games and Ona sadya was served to all. There were games like tug of war and dodge ball for the volunteers. And at the post-evening session there were various cultural programs for the volunteers and prizes were distributed to the winners of Onam games.

The penultimate day of the camp was filled with great enthusiasm as there were a large number of cultural programs like skits, folk songs etc., by the volunteers and a vibrant camp fire was set up for our volunteers to entertain themselves.

The seven-day NSS camp - JAIVOM 2017 concluded on 6 August 2017 with a closing ceremony.

Karunyasparsam: Hands of Help for the Marginalised

NSS volunteers hand over the collected utility articles to an old age home

The NSS unit of our College mobilised the whole college community to help the marginalized sections of the society. For helping the senior citizens who were left alone by their children, the volunteers conducted a campaign to collect daily utility articles from the students and staff on 15 December 2017. The response from the college community was really amazing. The NSS unit was able to collect different utility articles. Volunteers along with the program officers visited an old age home run by nuns and contributed the things collected by them.

Blood Donation Camp

A blood donation camp was conducted on 4 December 2017. The program gave another opportunity for the energetic youth of the campus to contribute to the well being of the society. Principal Dr. Joy George inaugurated the program. 108 students including volunteers donated blood.

The activities of the NSS unit were organised under the direction of the Programme Officers **Prof. Prince Mon Jose** (Dept. of Malayalam) and **Prof. Amal Jose Baby** (Dept. of Chemistry).
