MANAGED BY THE DIOCESE OF PALAI

A Minority Educational Institution

Founded in 1950

The College coat of arms symbolically suggests the intellectual and moral task the college assigns to itself. The motto on the crest, "Vita (Life), Lux (Light), Amor (Love)" shows how light and love, which stand for knowledge and fellow-feeling respectively, can enrich a person's life. The bearings on the shield represent a river in the lower portion, a pepper-vine, a book and a lamp and a setsquare in the upper portion. The river is River Meenachil on whose banks the college is seated. The pepper - vine denotes the trade and agrarian associations of Palai and the charges to its right are symbols of learning and skill. Further, the setsquare evokes memories of St. Thomas, our Heavenly Patron, who is traditionally represented as holding a setsquare.

VISION & MISSION

VISION - To create a centre of excellence through the formation of young people empowered to create a bright future for themselves and others, irrespective of caste, creed, religion or language through the dissemination of knowledge, skills and noble values.

To empower the students with deep knowledge and awareness of current developments in their chosen subjects of study.

FACETS OF HISTORY

The genesis of St. Thomas College, Palai, can be traced back to the end of the first quarter of the last century, when a small group of dedicated public-spirited men of the place took a daring initiative to found a college. But the social situation prevailing at that time, the technical formalities and practical hurdles confronting such a venture forced them to postpone their attempt.

The second attempt made towards the end of the 1930s, also did not materialise as the University of Madras informed its reluctance to affiliate the college as the Travancore Government under the Maharaja and the Diwan had already taken steps to establish a

university in the state. Hence the move for a college at Palai had to be dropped again for some more years, waiting for the coming up of the Travancore University.

It was after India's independence in 1947 when a democratic and responsible government was established in the state that efforts were afoot again for the establishment of an arts & science college at Palai. This time the attempt received a boost when a committee for the purpose was formally formed, under the blessings of Bishop James Kalasserry, with Rev. Fr. Sebastian Vayalil as president. Fr. Sebastian Vayalil was consecrated as the first Bishop of Palai Diocese in 1950, the very year of the founding of the college.

MAHATMA GANDHI UNIVERSITY STUDENTS' CODE OF CONDUCT RULES - 2005

Mahatma Gandhi University Students' Code of Conduct Rules-2005 introduced vide UO. No. 162/2004/2/Elen. dated 16 February 2005 has laid down rules for maintaining discipline in all colleges affiliated to the university, which will be binding on all students of the college. The university order prohibits political activity inside the campus. Political activity is defined as "any act, activity or conduct by any student in a college by which political ideologies of any political parties recognized by the Election Commission are preached, professed, imparted or disseminated by speeches, visible representation or other means of communication whatsoever".

Prohibition on political activity inside the campus means the following:-

- (a) No student of a college shall get himself involved in any political activity by himself or abet the said activity to be carried on by fellow students inside the campus in any manner whatsoever and any such activity is hereby banned inside the campus.
- (b) Taking part in any political activity by organizing students or gathering inside the college campus for the purpose of doing any activity as defined in Rule 4 (6) shall constitute serious indiscipline. Every member of such a gathering shall be individually liable and responsible for the gross indiscipline in this regard and the Principal has the power to take disciplinary action against students who indulge in the aforesaid activities.
- (c) It shall constitute gross indiscipline to call for an appeal to strike based on policies and ideologies that may be preached by the political parties or their sister organizations or student wings. The participants in the strike as aforesaid shall be dealt with by the disciplinary authority and they will be punished as per the rules stated above.
- (d) No student of a college shall stage or indulge in any activity like dharna, gherao, obstructing entry to and from any class room, office, hall or other places inside the campus and such activities shall be treated as misconduct.

- (e) No student shall shout slogans inside the classrooms, office or any other place inside the campus and obstruct or cause disturbance to the everyday functioning of the institution.

HIGH COURT ORDER PROHIBITTING CAMPUS POLITICS

The Honourable High Court of Kerala has declared in the St. Thomas College, Palai Case Judgement dated 26-05-2003 that the educational institution has the right to prohibit political activities on the campus and forbid students from organising or attending meetings other than the official ones within the College campus. The relevant part of the judgement is quoted below:-

We are of the view that guideline (9) banning political activities within the campus and forbidding the students from organising or attending meetings other than the official ones within the campus is not designed to prohibit any of the fundamental rights of the students guaranteed under Article 19 (1) (a) or 19 (1) (c). It is not a total prohibition of any fundamental right, but only a reasonable restriction confined to college campus and the code of conduct cannot be flouted in the name of any other freedom or the rights guaranteed under Article 19 (1) (a) or 19 (1) (c). Once students are admitted to an educational institution they are bound by the code of conduct laid down by the educational institutions through the prospectus or College calendar and it is implicit that they should observe the code of conduct necessary for the proper administration and management of the institution. Restrictions are only reasonable and designed to promote discipline in the educational institution so that the objectives of the educational institution could be achieved and the wisdom of laying down those restrictions cannot be challenged by the student after getting admitted to the educational institution. The right to admission not being absolute there could be regulatory measures for ensuring educational standards and maintaining excellence in education. Rules are made for maintaining discipline in the educational institution which is applicable equally to the management, teaching staff, non-teaching staff and the student community as a whole for its proper functioning. Clause 9 of the General Discipline laid down by St. Thomas College, Palai does not violate Article 19 (1) (a) or 19 (1) (c) of the Constitution of India and therefore liable to be upheld. In other words, those restrictions are for the proper functioning of the educational institution itself.

CO-CURRICULAR ACTIVITIES

NATIONAL CADET CORPS (N.C.C.)

Membership of the N.C.C. is optional. The main purpose of the N.C.C is to provide military training to the students, inculcating in their minds the twin ideals of duty and discipline. Through training camps the N.C.C. provides valuable opportunities for developing one's physical and intellectual potential. Students who pass the B and C examinations will find it easy to get commissioned posts in the army/navy. It may be noted that membership in the N.C.C. entitles one to get weightage in admissions to college courses. We have both the Navy and the Army wings of the N.C.C. in the campus.

NATIONAL SERVICE SCHEME (N.S.S.)

The National Service Scheme (NSS) is functioning under the Ministry of Youth Affairs and Sports, Government of India for developing students' personality through community service. At St. Thomas College, Palai, the first NSS unit started in 1972. Now there are two units with around two hundred registered volunteers. Members are selected on the basis of their aptitude. Admission to the Scheme is open to I DC and II DC students only. The duration of the programme in respect of an individual student is two years. NSS activities have been divided into two major groups: regular activities and special camping programmes. In order to become eligible for the NSS certificate the volunteers have to put in 240 hours of regular activities and attend a seven-day special camp. The NSS units of our college are engaged in social awareness and cultural programmes. They won the University Prize for Outstanding Social Service in 1996 and the award for the Best NSS Unit in 1998- 1999. Dr. P.D. George, programme officer of our unit, was selected as the Best Programme Officer in the State. Our college unit also won the award for the best unit in MG University during 2000-2001.
