Sir,

I am forwarding herewith a copy of a research proposal titled "*Statistical analysis of time to event data under Censoring and Truncation*" submitted by *Dr. Sreedevi E. P, Kerala State Young Scientist Awardee (KSYSA)* for consideration before the Kerala State Council for Science, Technology and Environment for financial assistance under the research grant for KSYSA. It is the practice of the Council to refer such proposals to eminent Scientists in the respective field and obtain their valuable comments before deciding upon funding.

While suggesting your name, the Council is fully aware of your busy schedule of work. However in view of the need to encourage worthwhile studies and ensure quality of research in the country, we are hopeful that you would bear with us for this demand on your valuable time. I will appreciate, if you could kindly examine the proposal and send us your recommendations within two weeks. The evaluation may include comments on the following points:-

1. Suitability of the proposal under KSYSA Scheme
2. Competence of the investigators
3. Facilities available in the host institution
4. Objectives and relevance
5. Methods and work plan
6. Alterations and improvements recommended
7. Outcome of the project
8. User/Industry interaction, if any
9. Grading in 1 to 10 scale
10. Recommendation

Thanking you

Yours sincerely
