## Career Counseling Programme for final year III BSc students

Pertaining to the ultimate aim of education, which is to mould responsible, skilled and goal oriented future generations, the Department of Botany organized a one day 'Career Counseling Programme' for the III BSc students on 15/07/2017. The key topic of the program was 'How to prepare for competitive examinations'. Dr. Toji Thomas, who has to his merit long years of experience as an academician and mentor, was the resource person of the day who was instrumental in meticulously delivering updated information on this topic to the students. 43 students of III BSc were the stakeholders of the program. As part of the program the students were made aware of the burgeoning opportunities in higher education in all over India. The objective of the program was to instill in the students a deep sense of confidence and to make them have a desire in pursuing a career in the field of Botany. The flawless and compulsive deliverance of the topic by Dr. Toji Thomas was indeed very effective and fulfilled the objective of the program to the core.

## **Career Counseling Programme for final year II MSc students**

Enabling students to rise up to the requirements of a highly competitive educational sector has become a key aspect of higher education. It is essential to keep up to the pace of the shifting trends and changes in the corresponding sectors in order to have a successful career. It is this realization that drives the Department of Botany to organize workshops and programs to make students aware of the novel trends in the field of Botany. On 15/07/2017 a workshop on 'How to prepare for CSIR NET' was conducted. Dr. Toji Thomas was the resource person. The long years of experience as an academician have made Dr. Toji Thomas an expert in the field. 12 MSc students of Department participated and made use of the program. The talk focused on the relevant topics for CSIR NET preparation, Examination pattern, tips and time management. The important books for reference were also let known to the students. Dr. Toji Thomas concluded the talk by pressing on the need to set a time bound goal to crack CSIR NET.

## Report of Career Counseling Programme for final year B.Sc. Zoology students

A career counseling program (one day) for the outgoing final year students of B.Sc. Zoology was conducted on 15/07/2017. The session was delivered by Dr. Benny P J, Head of the Department of Zoology, St. Thomas College Palai on the topic – “How to prepare for Central and State University Post graduate entrance exams”. A total of 30 final year students attended the programme. The programme was conducted in the ICT enabled Zoology Museum hall.

The Morning session consisted of an introduction to the various PG programs that are applicable for the B.Sc. Zoology students as well as the pioneer institutions that provide PG programs in the State, National and International level with list of supporting scholarship programs. Various topics from the B.Sc. program along with additional topics like logical reasoning and basic sciences were discussed during the morning sessions. The session consisted of lectures on selected topics mentioned above followed by interactive session for doubt clearance. The afternoon session consisted of solving of previous year entrance exam questions of top State as well as Central Universities. At the end of the afternoon session, a mock test was conducted and the same was valued by students themselves. Textbooks for further preparation from the college library and other online resources were introduced to the students.

The resource person and the programme coordinator addressed the various doubts and feed backs which were by during the closing session. The students were satisfied with the program and requested to conduct similar programs for upcoming batches also.

On 15<sup>th</sup> of July 2017 a career guidance and awareness program was held in our Department by Mr. Tommy Cherian, the well known Career counselor from Talentez Academy and 29 students participated in the program . He is a prolific educator who has been associated with counselling and guidance for the past 22 years and is also an educational consultancy which draws upon vast experience and research, to offer comprehensive services to students and schools regarding decision making for the future. The session aimed at making the audience aware of the multiple career options available. He also shared information regarding leading universities and various courses available. He enlightened the students with many career options which were unknown to them. In the program , he made the students understand different career opportunities, procedure to appear those careers, different competitive exams and also enriched them to understand the importance of having goal and passion and hard work to achieve the desired goal. For that he has involved some games and shown motivational video clips to the students who all were participated in the class. He also has given the students options to contact him any time with any kind of career counseling.
