## **Workshop Summary Report**

### **Research Methodology and Publication Ethics**

---

#### **EXECUTIVE SUMMARY**

The Internal Quality Assurance Cell (IQAC) of St. Thomas College Palai organised a three-day workshop on Research Methodology and Publication Ethics under the aegis of the Research Monitoring Cell of the College in collaboration with the Mahatma Gandhi University Kottayam on 09, 12, and 13 April 2021. The workshop was conducted on offline mode and the sessions were delivered through a combination of interactive lectures, exercises, hands-on practices, and discussions. The workshop was intended to cover the syllabi of Ph.D. course work of Science, Arts and Social Science disciplines and also aimed to bring together the newly registered research scholars from different disciplines under one roof to learn and practice the systematic and scientific way of doing research in ethical ways. This workshop comprised general as well as discipline-specific sessions to satisfy the varied requirements of the participants.

On 09th April 2021, the inaugural session was begun with the welcome address of Dr. Ison V. Vanchipurackal, Coordinator, IQAC. Rev. Dr. James John Mangalathu, Principal of the College presided over the meeting. Harikrishnan P, Member Syndicate, Mahatma Gandhi University, Kottayam inaugurated the programme and delivered the keynote address. Dr. Siby James, Secretary, Research Monitoring Cell of the college proposed the vote of thanks for the meeting. Dr. Nibu A. George, resource person of the technical sessions of the first day of the workshop was also present at the function.

The three-day workshop was rich with eleven distinguished technical sessions. These sessions were led by expert teachers in and outside the college. The first day's sessions were generally given to researchers from all streams. However, the sessions of the next two days were given separately to science and social science researchers and art and literature researchers to cater to the discipline-specific requirements of the participants. The workshop was attended by fifty-eight research scholars/academicians/students.

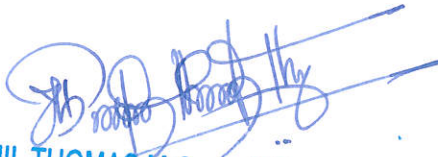

After all, the technical sessions on the last day were completed, a validatory meeting was convened to evaluate the success of the programme and for distributing the certificates to the participants. Mr. Joby Mathew, Joint Convenor of this workshop, welcomed the audience. The college principal, Rev. Dr. James John Mangalathu who chaired the meeting inquired about the experience of the delegates about the workshop and distributed the certificates. IQAC Coordinator, Dr. Ison V. Vanchipurackal, and Research Monitoring Cell Secretary, Dr. Siby James also spoke at the meeting. Dr. Tejil Thomas, Coordinator of the workshop proposed the vote of thanks to all those who contributed, supported, and participated for the successful conduct of this program.

The valedictory meeting was followed by an experience-sharing session where some of the participants voluntarily shared their experience on various facets of the workshop and expressed their gratitude to the organisers for conducting such a useful programme for them in a grand fashion.

Formal feedback was collected from the participants by administering a structured feedback form to assess the perceived effectiveness of the programme and to get their suggestions for improvement in the future.

The programmes and technical sessions of the workshop were coordinated by Dr. Ison V. Vanchipurackal (IQAC Coordinator), Dr. Tejil Thomas (Workshop Coordinator), Mr. Joby Mathew (Joint Coordinator), and Dr. Deemat C. Mathew (Joint Coordinator).
