## **Analysis Report on Teachers' Feedback 2016 – 2017 on Syllabus and its Transaction at the Institution**

The teacher feedback addressed five key issues. Four- fifth of the teachers agreed that the syllabi were on par with international standards while eighty-two of the teachers found a correlation between the content of the syllabi and time schedule, the others were apprehensive about it. The teachers were undivided in their opinion about the ambience of the college for the effective delivery of the syllabus. While majority of the teaching community agreed that there was a balance between theory and application, barely one percentage felt it otherwise. No teacher had complaint regarding the books prescribed/listed as reference materials were relevant, updated and appropriate.

## **Analysis Report on Teachers' Feedback 2016 – 2017 on General Aspects of the Institution**

The latter part of the feedback consolidated the fact that the teachers were happy in the institution. All of the teachers were satisfied with the availability of teaching learning resources in the college. The feedback testified to the fact that the interaction between teachers and students were found mostly fruitful. None of the teachers raised complaints about the interactions with the management. All of the teachers expressed their happiness about the support received for faculty development. Majority of the teachers did not raise any complaint regarding the administrative support and also expressed their happiness regarding the freedom given them to adopt new techniques/strategies of testing and assessment of students. No teacher had serious complaint regarding the support provided by the college for projects and research facilities. Around ninety- six percentage of the teaching staff expressed their satisfaction unanimously about the Canteen facility. While majority of the teachers did not raise complaints regarding the cleanliness of the toilets, a five percentage of them were dissatisfied with it, so is the case with the proper maintenance of classrooms and labs.
