Analysis Report on Teachers' Feedback 2017 – 2018 on Syllabus and its Transaction at the Institution

The teacher feedback was also an employee satisfaction survey. Almost ninety-nine percentage of the teachers agreed that the syllabi were on par with international standards while more than four fifth of the teachers found a correlation between the content of the syllabi and time schedule. The teachers were undivided in their opinion about the ambience of the college for the effective delivery of the syllabus. Only below three percentage of the teachers felt that there was no balance between theory and application. Most of the teachers found the books prescribed/listed as reference materials were relevant, updated and appropriate.
