Analysis Report on Students' Feedback 2018 – 2019 on Syllabus and its Transaction at the Institution

The student feedback was an attempt by the institution to scrutinise the efficacy of syllabus transaction and the overall efficiency of the teaching-learning process. Eighty-two percentage of the students strongly agreed to the fact of the syllabus being explained at the beginning of the course. Regarding the capability of the syllabus in meeting global and industrial needs, more than half of the respondents were happy while around forty percentage had their reservations. Most of the students were satisfied with the institutional practice of explaining the grading criteria of the course by the teachers. More than three fourth of the students agreed to the fact that assignments were related to the syllabus of the course. Seventy percentage of the students agreed that the syllabus was timely completed while the rest of them were dubious about it.

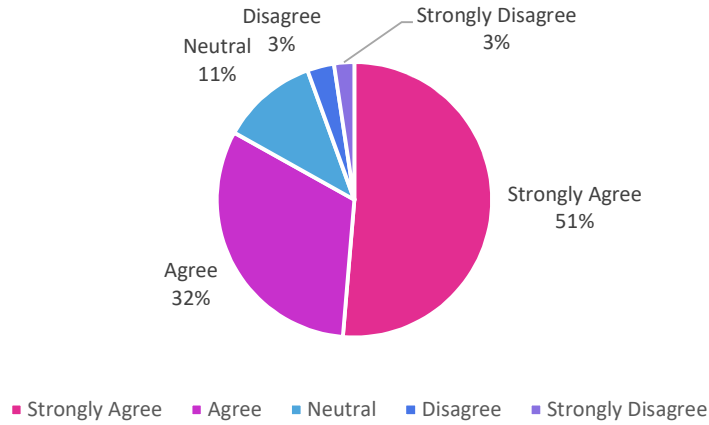

Question	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The Syllabus was explained at the beginning of the course and delivered as outlined.	51.33	31.78	11.36	3.16	2.37
The Syllabus was in line with global and industry needs/ employability.	18.98	41.70	27.25	8.12	3.95
Teachers explained the credit/grading criteria of the course syllabi.	44.93	33.14	15.53	4.03	2.37
Projects/Assignments were related to the syllabus of the course.	56.65	29.33	10.28	2.73	1.01
The timely completion of Syllabus.	32.93	37.67	16.82	8.70	3.88

*All figures are in percentage

Analysis Report on Student's Feedback 2018 – 2019 on General Aspects of the Institution

The latter part of the feedback consisting of ten questions was intended to measure the efficiency of course outcome in correspondence with student satisfaction. While three fourth of the students expressed their satisfaction with the internal examination mechanism, the remaining students were not happy with it. Regarding the transparency of the evaluation system most of the students answered in the affirmative. The opinion of the students was divided in the maintenance of the infrastructural facilities with sixty-six percentage of them supporting it and the remaining thirty-four expressing their unhappiness about it. Most of the students expressed their apprehension regarding the timely completion of examination and declaration of results by the University. Three fourth of the students were satisfied with the learning resources provided by the institution, while more than half of the students voiced their dissatisfaction about the extracurricular activities of the institution. Only a few students were unhappy about the infrastructural facilities of the institution. Around seventy- five percentage of the students were happy about the service rendered by the administrative and library staff. Most of the students had no disagreement that the college was an eco- friendly one. More than half of the students felt that the institution was successful in inculcating values like sustainable development and eco-consciousness.

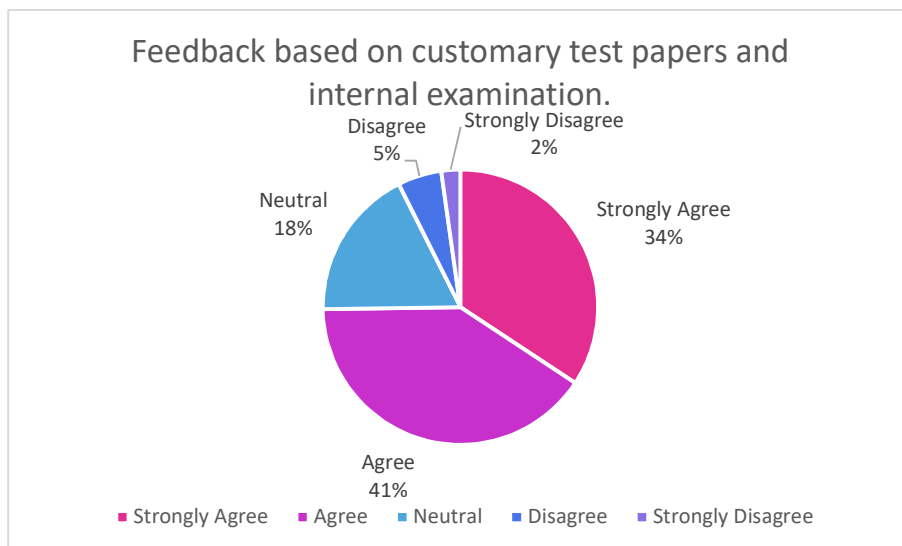

Question	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Feedback based on customary test papers and internal examination.	34.29	40.47	17.83	5.18	2.23
Evaluation process was transparent and unbiased.	37.02	36.45	18.76	5.46	2.30
Classrooms/labs were well maintained.	35.15	31.92	19.77	7.25	5.82

Conclusion

The student feedback was satisfying with most of the students being happy about the different dimensions of the syllabus. They were convinced of the efficiency of the syllabus in meeting their employment requirements. The feedback proved the satisfaction of the students regarding the institution. A constant area which needed improvement was the timely publication of results.
