

INSTRUCTIONS REGARDING THE PUBLICATION OF PG TRIAL RANKLIST

1. The trial rank list is not the final one. It may be different from the final Merit list. Students cannot claim admission to any programme merely based on the fact that their name was listed in the trial merit list.
2. Candidates are requested to check the index marks based on their academic credentials and index calculation guidelines available in the prospectus.
3. If any omission/error or discrepancy is noticed, please mail the details to : admissions@stcp.ac.in at least by 8PM, 19.06.2024. No requests after the stipulated time limit will be entertained.
4. Candidates can edit their data, till 8 PM, 19.06.2024. The editing if any, should be informed through admissions@stcp.ac.in immediately.
5. If the applicant modifies the data, logout from the portal, login once again and find the options are given as required.
6. Once the final merit list is published, there is no option for students to change the choice. Students allotted to higher choices will not be considered for admission to their lower choices.
7. However, students admitted in the lower choices may be considered for their higher choices. They will be informed about the possibility of admission in their higher choices. If the student is satisfied with the admitted programme, he/she can continue there.
